Steps to Mystical Experience Bill Skiles, 2005-05 The place called Earth isn't as big as one small farm boy found out The Midwest boy sat next to his pa one night and learned of a very different kind of moon A LIAR'S MOON From that day forward from his divorce in Tampa Florida to the beautiful Northwest in Washington he lives under the superstition skies while blaming the lore for his misfortune and uncertainties that hampered him at every important decision that went bad Through all the love and pain and questionable romances at both ends of his years he struggled to make sense of them But the small world capped by the threatening moon and clouds of doubt can't stop a surprising outcome for all *I Have Been Thinking* Jason Whaley, 2011-05-24 A creative reading experience the idea behind reading the book is that a person can sit and read for thirty minutes or less and then go about with new ideas passing through their mind during the day Each entry is a thought or group of thoughts that are intended to bring out the greater levels of wonder from within your mind Many ideas come from a mixing of modern concepts with views from classic religions creating a strange spirituality often stretching far outside the box of normal thoughts this book takes you on a walk through the mind of a man who enjoys making people wonder Where in the world did he come up with that From dream states to atomic landscapes you will find this book funny spiritually uplifting and at times baffling to the senses This is more than a journal of What I did today It is a journal of what comes to mind while one attempts to tear down and rebuild the universe in their head under the assumption that this will help them to understand God

Walking in the Way Day by Day Keith E.

Jackson, MFT, 2014-10-20 This book was written as a result of questions I had concerning the state of the church of our Lord and Savior Jesus Christ I read of all the miracles God performed in the Bible and like Gideon Judges 6 13 I asked the question Where has that God gone Why am I not seeing that kind of power in my life After much prayer and meditation God started to show me what was lacking in my life I realized that walking with God was more than just memorizing Scriptures and learning formulas to get God to work on my behalf While I was paralyzed from a spinal infection I realized that some of what I had been taught in church were based on tradition and were not biblically based During this period of time God began the healing process Through faith in the Word of God I was healed physically but more importantly God gave me the assignment to pass on to others what I have learned I pray for all those who read this book may your eyes and hearts be open to receive the message of God s great love for you and His desire to lead you to your Promise Land

Reflections of My Thoughts

Shaneen A. Harris,2011-12-22 Reflections Of My Thoughts depicts a woman who is torn between her flesh her spirit and her underlying desire for freedom strength and the ability to dream again represented by the unicorn in whatever form it may be However her questions and desire for understanding who she believes she is with where she is in life ultimately lead her on a spiritual journey It is an attempt to articulate the challenges that she faces with her flesh such as jealousy lust anger true friendship self imagery and faith This is a story of a woman who learns that her ability to persevere through challenges her real freedom strength ability to dream and ultimately her identity comes not from her rather Jesus Christ who has sustained her even when she didn t realize or acknowledge He existed

Roots to Wings B.L. Skinner,2018-05-07 The 80s of self indulgence and It s all about me has turned us into Nobody understands what I am going through and Nobody cares There is power in the memoirs on the bookshelves today with such authors as Dave Pelzer Carol Burnett Mackenzie Phillips Ashley Judd and Shania Twain These authors are giving us positive nourishment and starting conversations We are reconnecting with our neighbors across the street as well as across the globe with two common threads we are all human beings and we are not alone These books allow a reader to open up at their own pace The memoirs of today contain everything from abandonment to the taboo Still these books are all basically one person talking to another with the exception you know exactly what the subject is about The books give you a voice that inspires you to take the next step to be able to talk to your family and friends I have spent my life with some of the right people but mostly all the wrong people hoping they could show me I am a worthy human being In this story I have brought together all my challenges and teachers that are now my allies to tell the story of my life In those seconds when you have looked soul to soul with someone to fight for your worth and your heart pounds and your mouth is dry you can only hope that in those fleeting seconds they have looked deep enough to see you We all want to have our voices heard sometimes we just need a little help
