MAKING IT EASY FOR PARTICIPANTS TO VERIFY THEIR ANSWERS AND PREPARE EFFECTIVELY **TikTok Broadway**

Trevor Boffone,2024 TikTok Broadway Musical Theatre Fandom in the Digital Age explores how TikTok has revolutionized musical theatre fandom and democratized musical theatre fan cultures and spaces The book argues that TikTok has created a new canon of musical theatre thanks to the way virality works on the app expanding musical theatre into a purely digital realm that spills into other non digital aspects of U S popular culture *In Black and White* Anant Singh,2021-11-01 It all

began with Charlie Chaplin flickering in black and white on a makeshift screen in their modest home in Springfield which later led to the neighbourhood children happily handing over their coins to 10 year old Anant Singh and his younger brother Sanjeev At age 13 deeply affected by the passing of his father Anant found solace and escape in the moving image to which his father had introduced him The combination of a deep and abiding passion for film and an entrepreneurial spirit were the sparks that lit the flame for Anant as he rewound 16mm reels in a film rental store in Durban first for R1 a day and then for R25 a week In South Africa in the 1970s there were not many career options for a Black person who dreamed big in any business let alone the film industry But before his twentieth birthday Anant was the owner of that store and in a business in which no person of colour had ventured Restrictive legislation was not the only problem all public facilities including cinemas were segregated and any voice raised in opposition to the state was swiftly silenced while censorship across all forms of media including films was strictly enforced By hiring out films classified for whites only to all races and uncensored movies to anyone who wanted to watch them Anant was arrested for breaking the laws he refused to recognise as legitimate He moved on to wider distribution first to cinemas across Africa and then to the international market to setting up Videovision

Enterprises and capturing the home video market and finally to putting his heart and soul into producing award winning and important films This extraordinary memoir is a story of professional relationships and of friendships with mentors including Ahmed Kathrada Fatima and Ismail Meer and Nelson Mandela as well as with superstars such as Quincy Jones Sidney Poitier Whoopi Goldberg Amitabh Bachchan Denzel Washington and Idris Elba And it is a testament to determination courage and perseverance to speak up and speak out through the powerful medium of film **Demigods and Monsters** Rick

Children's Literature and the Posthuman Zoe Jaques,2015-02-11 An investigation of identity formation in children s literature this book brings together children s literature and recent critical concerns with posthuman identity to argue that children s fiction offers sophisticated interventions into debates about what it means to be human and in particular about humanity s relationship to animals and the natural world In complicating questions of human identity ecology gender and technology Jaques engages with a multifaceted posthumanism to understand how philosophy can emerge from children s fantasy disclosing how such fantasy can build upon earlier traditions to represent complex issues of humanness to younger audiences Interrogating the place of the human through the non human whether animal or mechanical leads this book to have interpretations that radically depart from the critical tradition which in its concerns with the socialization and representation of the child has ignored larger epistemologies of humanness The book considers canonical texts of children s literature alongside recent bestsellers and films locating texts such as Gulliver s Travels 1726 Pinocchio 1883 and the Alice books 1865 1871 as important works in the evolution of posthuman ideas This study provides radical new readings of children s literature and demonstrates that the genre offers sophisticated interventions into the nature boundaries and dominion of humanity
