Adobe Magazine ,2000 **The Game Maker's Apprentice** Jacob Habgood,Mark Overmars,2006-12-31 The Game

Makers Apprentice shows you how to create nine exciting games using the wildly popular Game Maker game creation tool. This book covers a range of genres including action adventure and puzzle games complete with professional quality sound effects and visuals. It discusses game design theory and features practical examples of how this can be applied to making games that are more fun to play. Game Maker allows games to be created using a simple drag and drop interface so you don't need to have any prior coding experience. It includes an optional programming language for adding advanced features to your games when you feel ready to do so. You can obtain more information by visiting [book.gamemaker.nl](#). The authors include the creator of the Game Maker tool and a former professional game programmer so you'll glean understanding from their expertise. The book also includes a DVD containing Game Maker software and all of the game projects that are created in the book plus a host of professional quality graphics and sound effects that you can use in your own games. **Adobe Acrobat**
