Foundation ,1998 The Betrayal of the Humanities Bernard M. Levinson,Robert P. Ericksen,2022-09-06 How did the academy react to the rise dominance and ultimate fall of Germany s Third Reich Did German professors of the humanities have to tell themselves lies about their regime s activities or its victims to sleep at night Did they endorse the regime Or did they look the other way whether out of deliberate denial or out of fear for their own personal safety The Betrayal of the

Humanities The University during the Third Reich is a collection of groundbreaking essays that shed light on this previously overlooked piece of history The Betrayal of the Humanities accepts the regrettable news that academics and intellectuals in Nazi Germany betrayed the humanities and explores what went wrong what occurred at the universities and what happened to the major disciplines of the humanities under National Socialism The Betrayal of the Humanities details not only how individual scholars particular departments and even entire universities collaborated with the Nazi regime but also examines the legacy of this era on higher education in Germany In particular it looks at the peculiar position of many German scholars in the post war world having to defend their own work or the work of their mentors while simultaneously not appearing to accept Nazism

Trials of War Criminals Before the Nuernberg Military Tribunals Volume III Various,2023-09-03
Excerpt In April 1949 judgment was rendered in the last of the series of 12 Nuernberg war crimes trials which had begun in October 1946 and were held pursuant to Allied Control Council Law No 10 Far from being of concern solely to lawyers these trials are of especial interest to soldiers historians students of international affairs and others The defendants in these proceedings charged with war crimes and other offenses against international penal law were prominent figures in Hitler s Germany and included such outstanding diplomats and politicians as the State Secretary of the Foreign Office von Weizsaecker and cabinet ministers von Krosigk and Lammers military leaders such as Field Marshals von Leeb List and von Kuechler SS leaders such as Ohlendorf Pohl and Hildebrandt industrialists such as Flick Alfried Krupp and the directors of I G Farben and leading professional men such as the famous physician Gerhard Rose and the jurist and Acting Minister of Justice Schlegelberger In view of the weight of the accusations and the far flung activities of the defendants and the extraordinary amount of official contemporaneous German documents introduced in evidence the records of these trials constitute a major source of historical material covering many events of the fateful years 1933 and even earlier to 1945 in Germany and elsewhere in Europe The Nuernberg trials under Law No 10 were carried out under the direct authority of the Allied Control Council as manifested in that law which authorized the establishment of the Tribunals The judicial machinery for the trials including the Military Tribunals and the Office Chief of Counsel for War Crimes was prescribed by Military Government Ordinance No 7 and was part of the occupation administration for the American zone the Office of Military Government OMGUS Law No 10 Ordinance No 7 and other basic jurisdictional or administrative documents are printed in full hereinafter The proceedings in these trials were conducted throughout in the German and English languages and were recorded in full by stenographic notes and by electrical sound recording of all oral proceedings The 12 cases required over 1 200 days of court proceedings and the transcript of these proceedings exceeds 330 000 pages exclusive of hundreds of document books briefs etc Publication of all of this material accordingly was quite unfeasible This series however contains the indictments judgments and other important portions of the record of the 12 cases and it is believed that these materials give a fair picture of the trials and as full and illuminating a picture as is possible within the space available Copies of the

entire record of the trials are available in the Library of Congress the National Archives and elsewhere In some cases due to time limitations errors of one sort or another have crept into the translations which were available to the Tribunal In other cases the same document appears in different trials or even at different parts of the same trial with variations in translation For the most part these inconsistencies have been allowed to remain and only such errors as might cause misunderstanding have been corrected

Nietzsche and Jewish Culture Jacob Golomb,2002-01-04 Friedrich Nietzsche occupies a contradictory position in the history of ideas he came up with the concept of a master race yet an eminent Jewish scholar like Martin Buber translated his Also sprach Zarathustra into Polish and remained in a lifelong intellectual dialogue with Nietzsche Sigmund Freud admired his intellectual courage and was not at all reluctant to admit that Nietzsche had anticipated many of his basic ideas This unique collection of essays explores the reciprocal relationship between Nietzsche and Jewish culture It is organized in two parts the first examines Nietzsche s attitudes towards Jews and Judaism the second Nietzsche s influence on Jewish intellectuals as diverse and as famous as Franz Kafka Martin Buber Franz Rosenzweig and Sigmund Freud Each carefully selected essay explores one aspect of Nietzsche s relation to Judaism and German intellectual history from Heinrich Heine to Nazism

Geographies of Knowledge and Power Peter Meusburger,Derek Gregory,Laura Suarsana,2015-06-24 Interest in relations between knowledge power and space has a long tradition in a range of disciplines but it was reinvigorated in the last two decades through critical engagement with Foucault and Gramsci This volume focuses on relations between knowledge and power It shows why space is fundamental in any exercise of power and explains which roles various types of knowledge play in the acquisition support and legitimization of power Topics include the control and manipulation of knowledge through centers of power in historical contexts the geopolitics of knowledge about world politics media control in twentieth century cartography in modern war the power of words the changing face of Islamic authority and the role of Millennialism in the United States This book offers insights from disciplines such as geography anthropology scientific theology Assyriology and communication science

[The Jews and Germans of Hamburg](#) J A S Grenville,2013-06-17 Based on more than thirty years archival research this history of the Jewish and German Jewish community of Hamburg is a unique and vivid piece of work by one of the leading historians of the twentieth century The history of the Holocaust here is fully integrated into the full history of the Jewish community in Hamburg from the late eighteenth century onwards J A S Grenville draws on a vast quantity of diaries letters and records to provide a macro level history of Hamburg interspersed with many personal stories that bring it vividly to life In the concluding chapter the discussion is widened to talk about Hamburg as a case study in the wider world This book will be a key work in European history charting and explaining the complexities of how a long established and well integrated German Jewish community became within the space of a generation victims of the Nazi Holocaust

Salvation is from the Jews Anders Gerdmar,2024-10-21 Unheil curse disaster according to German scholar Gerhard Kittel this is the Jewish destiny attested to in scripture Such interpretations of biblical

texts provided Adolf Hitler with the theological legitimatization necessary to realizing his final solution But theological antisemitism did not begin with the Third Reich Ferdinand Baur s nineteenth century Judaism Hellenism dichotomy empowered National Socialist scholars to construct an Aryan Jesus cleansed of his Jewish identity building on Baur s Enlightenment prejudices Anders Gerdmar takes a fresh look at the dangers of the politicization of biblical scholarship and the ways our unrecognized interpretive filters may generate someone else s apocalypse
