Coloring Sheets for Adults (Mysterious Wild Beasts) JAMES. MANNING, 2019-02-08 A wild beasts coloring book with 30 coloring pages for relaxed and stress-free coloring. This book can be downloaded as a PDF and printed off to color individual pages.

Imagery, Ritual, and Birth Anna M. Hennessey, 2018-12-11 Every human being is born and has gone through a process of birth. Yet the topic of birth remains deeply underrepresented in the humanities, overshadowed by a scholarly focus on death. This book explores how imagery is used ritualistically in religious, secular, and nonreligious ways during birth through analysis of a wide variety of art, iconography, poetry, and material culture. Objects central to the book's study include religious figurines, paintings about birth, and other items representative of pregnancy, crowning, or giving birth that have an historical or original meaning connected to religion. Contemporary artists are also creating new art in which they represent birth and mothering as nonreligious events that are sacred or divine. Framed through the concept of social ontology, which examines the nature of the social world and studies how people create meaning out of the various objects, images, and processes that make up human social life, the book theorizes a social ontology of birth focusing on how the meaning of imagery undergoes metamorphosis between the spheres of religion, secularity, nonreligion, and the sacred when used during birth as a rite of passage. Included in the study are more than thirty images of birth, some of which have never been written about before.

House Visualization Technique Heidi Eversole MA LPC TF-CBT, 2023-01-20 Heidi Eversole's House Visualization Technique is a powerful resource for people touched by trauma and is a must-read for mental health professionals and survivors alike. As a therapist who specializes in trauma, I consider this work to be groundbreaking and much-needed. Dr. Michelle Flaum, professor at Xavier University and author of *Managing the Psychological Impact of Medical Trauma: A Guide for Mental Health and Health Care Professionals*.

Heidi brings the House Visualization Technique from a personal and passionate level which is ultimately beneficial to the reader I appreciate the depth of preparation in understanding the entire process through education and identification of emotions understanding how different brains function and uses of the technique This solid yet flexible approach will help many for years to come Rebekah Miles Mental Health Advocate and Speaker I m fine save me viral tattoo movement I ve started dozens of workbooks that address similar topics and was never able to complete any of them This simple yet inspiring visualization technique pulled me in from the start and gently guided me through to the end But that s the thing here it doesn t just end it s perhaps a beginning It s the beginning of a pathway to healing Richard Crocker CRNA Afghanistan war veteran HVT is a new and unique way for me to be introspective and it felt like a place of comfort and where I find safety and solace in my life As a therapist I can see value in doing this with the parents of my pediatric clients or when doing work with my adolescent clients who may not be in a space to have the words to express themselves fully I love finding new ways to reach clients and this definitely is a valuable tool Hailee Carter LPCC S Children and Family Therapist
