Rothschild,2007 Publisher Description **Testosterone Inc** Christopher M. Byron,2005-04-08 In Testosterone Inc Tales of CEOs Gone Wild bestselling author and New York Post columnist Chris Byron chronicles the Gatsby like saga of the rise and fall of the celebrity CEO During the height of the 1990s bull market they were America s new heroes the heroes of business They were our bold new leaders cutting the fat pushing for productivity implementing visionary plans and making strategic deals When the bull market turned to bust and the applause turned to cat calls the world was shocked at the truth Drenched in money and public acclaim our CEO heroes mostly white mostly male mostly middle aged turned out to be not much different than a group of twenty something rock stars drunk on power and driven by sex greed and glamour Testosterone Inc goes behind the boardroom doors to show the serial affairs and marriages of these acquisitive corporate titans At the center of this story is Jack Welch the biggest of America s rock star CEOs and the former head of General Electric Co surrounded by mini me CEOs Ron Perelman of Revlon Al Dunlap of Sunbeam and Dennis Kozlowski of Tyco all gone wild in public displays of consumption and predatory appetites writ large Byron gets inside the bars where Welch liked to hang out and pick up women with his early business soul mate buddies Byron hovers unseen at the elbow of Ron Perelman and his mistress aboard the Concorde for a week in Paris in his mistaken belief that his wife knows nothing about his secret affair Byron peeks behind the curtains of a U S Army officers quarters to behold Al Dunlap horrifying his first wife who claimed in her divorce action that Dunlap would point his knife at her and say I often wondered what human flesh tasted like Byron becomes a fly on the wall to chronicle the longing for respect and serial womanizing of Dennis Kozlowski Frequently hilarious sometimes heartbreaking Testosterone Inc follows the intertwined lives of these four corporate heroes from childhood to their ultimate moments of glory and the crash and burn calamities that followed as man s age old hunger for power greed and temptation undid them all From suicide to murder from dysfunctional childhoods to dysfunctional marriages in adulthood from business chutzpah to financial suicide here is the ultimate untold business story of our time what went on at century s end when testosterone got the best of businessmen everywhere and CEOs went wild Fair Shake Naomi Cahn,June Carbone,Nancy Levit,2025-08-05 A stirring comprehensive look at the state of women in the workforce why women s progress has stalled how our economy fosters unproductive competition and how we can fix the system that holds women back In an era of supposed equality women are falling behind in the workplace faster than before a trend exacerbated by Covid 19 Even with more women in the workforce than in decades past wage gaps continue to increase It is the most educated women who have fallen the furthest from behind Blue collar women hold the most insecure and badly paid jobs in our economy And even as we celebrate high profile

representation women on the board of Fortune 500 companies and our first female vice president women have limited recourse when they experience harassment and discrimination Fair Shake Women and the Fight to Build a Just Economy explains that the system that governs our economy a winner take all economy is the root cause of these myriad problems The WTA self selects aggressive cutthroat business tactics which creates a feedback loop that sidelines women The authors three legal scholars call this feedback loop the triple bind if women don't compete on the same terms as men they lose if women do compete on the same terms as men they're punished more harshly for their sharp elbows or actual misdeeds and when women see that they can't win on the same terms as men they take themselves out of the game as if they haven't been pushed out already With odds like these stacked against them it's no wonder women feel like no matter how hard they work they can't get ahead Drawing on rich storytelling often found in legal documents Fair Shake makes a compelling case for why existing laws fail to protect women It not only diagnoses the problem of what's wrong with the modern economy but shows how with awareness and collective action we can build a truly just economy for all
