in keeping Alice his prisoner regardless of the consequences A new alliance of wolves and healers must find a way to sever Cain s deadly bond with Alice without killing her and thwart the vampire s plans to unleash an unstoppable hybrid army a threat stronger than any the wolves have ever faced **Reign of Blood** Quinn Loftis,2022-12-27 Because I created you for such a time as this The Great Luna s words ring true for every member of the Romanian pack Not only the wolves but for all those who stand in defense of virtue purity and righteousness in a world plagued with monsters hell bent on destroying every good in their path Time and time again the Great Luna s warriors have faced depraved adversaries and each time they ve risen to the challenge With Fane as their leader and members of every supernatural race willing to follow him they will once again stand in the gap for those who cannot stand themselves protecting those who are ignorant of the dangers all around them The Order of the Burning Claw has been dealt a near fatal blow But this has only made them more dangerous like a cornered wolf injured and desperate Alston the former high fae and leader of the Order continues to wage war on Fane and his allies Cain the vampire king has other plans and they no longer include membership in the crumbling faction He has discovered some powerful new allies the very humans he once attempted to subjugate Could they unwittingly be the key that allows him to put finally eliminate all competition for rule of the supernatural races In the end one species will reign supreme One king will stand victorious The rest will bow or die **The Hybrid Rule** Quinn Loftis,2023-03-28 So many impossibly powerful foes have opposed the wolves and their allies over the years Evil witches warlocks fae elves and alphas just to name a few And all have found the pack too strong to break But the foe hellbent on taking down the pack now the vampire king Cain has a plan that might finally tip the balance of power away from the wolves In the middle of the desert Cain works desperately to find a way to mix the blood of wolves and vampires While most find the idea reprehensible Cain believes it is the key to his victory He imagines an army of unstoppable hybrids with the combined power of the vampires and the Canis lupus Such a force would be unstoppable even for the powerful of alpha of alphas Fane Lupei And Cain just might have found the secret ingredient necessary to bring his plans to fruition **Piercing Silence** Quinn Loftis,2015-06-12 It s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn t complaining about that she spends her time commenting on how Jacque s butt is getting wider by the minute Jacque doesn t know it but the reprieve was about to be over She and Fane thought his demons had been dealt with but the nightmares are back and the In Between is once again ripping a hole inside of her mate Jacque can t stand to see him hurting She can t stand knowing that in some way she was responsible for his struggle because she after all was the subject of his pain from the In Between She ll do anything to stop his turmoil So she makes a desperate decision to do what she thinks her mate needs or doesn t need Others will call it insane Jen will add

her own creative descriptions including expletives thrown in for added effect Whatever you call it Jacque calls it an answer to the darkness that is slowly consuming her mate She knows that if Fane has any idea of what she has planned he would chain her to his side So naturally she does what any female Canis lupus would do in her shoes she shuts down the bond and prays that no one gets in her way She knows he might never forgive her but then if her plan works he won't even remember her name

The Grey Wolves Novella Collection Quinn Loftis, 2021-01-13 A pack is made up of many members And each of those members has his or her own story to tell The following is a collection of four stories of the Romanian Greys and their allies Sacred Silence I thought nothing could be eviler than Desdemona or Reyaz or any other villain we've faced down I was wrong I read all the books I could devour on the beauty of parenthood I thought I was ready But nothing could have prepared me for the hurricane of jacked up emotional chaos otherwise known as post partum hormones Jen Resounding Silence Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Piercing Silence It's been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth

incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn't complaining about that she spends her time commenting on how Jacques butt is getting wider by the minute Jacques doesn't know it but the reprieve was about to be over Forgotten Silence Filthy Disgusting Unworthy trash The same thoughts keep swirling in Sally's mind She's broken and no one can fix her not her friends try as they might and not her beautiful mate She'd thought when Costin had rescued her from Jericho's clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an Ocean Side bar that one day she might find some peace Perhaps with time she could forget the horrible things she'd done Perhaps she could forget how she had betrayed her one true mate Now several weeks later the memories and the nightmares have only grown stronger

Fate And Fury Quinn Loftis, 2013-03-13 The last few days have been the darkest of Sally's life After experiencing the joy of finding her mate she now suffers the pain of losing everything she holds dear Both the Romanian and Serbian packs have been captured ripping Sally's soul mate away from her almost as soon as she had found him Her best friend and the emotional glue that usually holds Sally together Jacques Pierce lies writhing in a restless coma having been put down by Desdemona's dark magic Jennifer Adams the unshakable one has revealed to her friends and her mate that she is pregnant but the Fates have marked her unborn baby for death Though she rails against the darkness deep inside Jen knows that Decebel's baby must die as payment for her own life and the knowledge is tearing her soul to pieces

Just One Drop Quinn Loftis, 2012-08-15 Jennifer Adams best friend to Jacques Pierce and Sally Morgan spicy out spoken a little crazy and human or so she thought Jen has just found out that human DNA is not the only thing that resides in her veins she happens to share that little pesky werewolf gene although it isn't more than just a drop Now that she and her friends are living in Romania with Fane's pack she is also oh so conveniently stuck with the object of her affection the fur ball Decebel Drawn to each other by something they don't understand Jen finds herself frustrated by the lack of mating signs between her and said fur ball Not only is she dealing with that not so unfrustrating problem she now has been informed that because of that little drop of werewolf blood in her she is now required to attend a multi pack gathering for unmated wolves This type of gathering hasn't taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won't ever find their true mates Meanwhile Decebel struggles with the emotions he is feeling towards Jen He tries to keep his distance but there is just something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can't seem to get enough of go figure

Blood Rites Quinn Loftis, 2011-11-18 With the challenge complete and the corrupt Alpha of Coldspring defeated Fane is now free to complete the mate bond with Jacques and perform the Blood Rites Although the challenge is done the effects are far reaching Once it is known that Vasile one of the strongest Alphas in the world is in America specifically Coldspring TX there is one Alpha who cannot overlook the significance of this An Alpha who happens to share Jacques's DNA but is this the one she needs to fear With her mom driving and her two best friends Jen and Sally in tow Jacques set off for her happily ever

after She will soon realize a plan has been put in motion that will change her course and possibly tear her from Fane s grasp forever It will take a wolf pack her mother s love her two best friend s unrelenting determination her own will to survive and the undying love of her mate to bring her home The question remains if she fights if she endures who will she be what will be left once she is back in her mate s arms **Prince of Wolves, Blood Rites, Just One Drop** Quinn Loftis,2019 Begin the award winning Grey Wolves Series with the first three books Prince of Wolves Blood Rites and Just one Drop The Grey Wolves Series follows the adventures of three high school seniors Jacque Jen and Sally as the girls are introduced to the hidden world of the Romanian grey wolves The grey wolves universe is populated with dominant Alpha male werewolves who slowly succumb to the darkness within them unless they find their true mates It just so happens these three ladies are destined to become true mates to some of the most powerful males in the Canis lupus world But destiny won t be fulfilled without a fight Female Canis lupus are few and far between and sinister dominant wolves will rise to challenge for the right to mate with these new unique females The ensuing chaos will undermine the strength of the packs just when a new threat to the Canis lupus world emerges one that can only be defeated by the strength that comes from the special union of true mates
