**Killing Sarai** J. A. Redmerski, 2021-06-17 Sarai was only fourteen when her mother uprooted her to live in Mexico with a notorious drug lord Over time she forgot what it was like to live a normal life but she never let go of her hope to escape the compound where she has been held for the past nine years Victor is a cold blooded assassin who like Sarai has known only death and violence since he was a young boy When Victor arrives at the compound to collect details and payment for a hit Sarai sees him as her only opportunity for escape But things don't go as planned and instead of finding transport back to Tucson she finds herself free from one dangerous man and caught in the clutches of another While on the run Victor strays from his primal nature as he succumbs to his conscience and resolves to help Sarai As they grow closer he finds himself willing to risk everything to keep her alive even his relationship with his devoted brother and liaison Niklas who now like everyone else wants Sarai dead As Victor and Sarai slowly build a trust the differences between them seem to lessen and an unlikely attraction intensifies But Victor's brutal skills and experience may not be enough in the end to save her as the power she unknowingly holds over him may ultimately be what gets her killed This is their story [In the Company of Killers - Buch 1](#), 2019-10-22 *Seeds of Iniquity* J.
