The Island of Mora Mora: A Journey into Madagascar Tyrel Cameron Eskelson, 2023-04-28 Mora Mora Things on the Island of Madagascar happen slowly or they don't happen at all. Set your patience to fully adjust your expectations for anything and be prepared to witness some of the world's most fascinating experiences. Madagascar's natural history is its national treasure, but its present and future is dire. Caught in a Malthusian Trap, the population is expanding and the disappearance of the original natural landscape is all but complete. This book captures the island at an important time in its history because whether the future will be better or worse, it will be different. Join author Tyrel Cameron Eskelson on his solitary adventurous journey to four corners of the island of Madagascar in the overcrowded taxi brousse, a notorious sinking ferry, old colonial trains, sketchy motorcycle rides, ox-driven carts, and at other times he straps on his pack and walks several days through the secluded rainforest mountains. He witnesses shamans as they summon the spirits of the dead and at other times wakes up feeling like death after a night drinking the local spirits. He interacts with scientists, dodges scallywags, and at times goes right inside the homes of the local people. Driven by curiosity, Eskelson brings the island to life with his eye for detail and command of history. Full of humorous observations and exciting encounters, this book is an example of the future of good old-fashioned travel writing. Whether you're on an adventure or waiting for your next one, this unique tale of travel will entertain, inspire, and make you wish there was more.

The Complete Book of Five Rings Miyamoto Musashi, 2010-05-11 The Complete Book of Five Rings is an authoritative version of Musashi's classic *The Book of Five Rings* translated and annotated by a modern martial arts master Kenji Tokitsu. Tokitsu has spent most of his life researching the legendary samurai swordsman and his works, and in this book he illuminates this seminal text along with several other works by Musashi. These include *The Mirror of the Way of Strategy* which Musashi wrote when he was in his twenties, *Thirty-five Instructions on Strategy* and *Forty-two Instructions on Strategy* which were precursors to *The Book of Five Rings* and *The Way to Be Followed Alone* which Musashi wrote just days before his death. Read together, these five texts give readers an unusually detailed, nuanced view of Musashi's ideas on swordsmanship, strategy, and self-cultivation. Tokitsu puts all these writings into historical and philosophical context and makes them accessible and relevant to today's readers and martial arts students. Tokitsu understands Musashi's writings and Musashi as a martial artist unusually well and is able to provide a rare insight into the man and his historical contribution.

Miyamoto Musashi Kenji Tokitsu, 2006-06-20 A comprehensive study of the life, philosophies, fighting strategies, and works of the legendary samurai warrior who wrote *The Book of Five Rings*, Miyamoto Musashi, who lived in Japan in the fifteenth century, was a renowned samurai warrior. He has become a martial arts icon known not just as an undefeated dueler but also as a master of battlefield strategy. Kenji Tokitsu turns a critical eye on Musashi's life and writings, separating fact from fiction and giving a clear picture of the man behind the myth. Musashi's best-known work, *The Book of Five Rings*, provides timeless insight into the nature of conflict. Tokitsu translates and provides

extensive commentary on that popular work as well as three other short texts on strategy that were written before it and a longer later work entitled *The Way to Be Followed Alone* Tokitsu is a thoughtful and informed guide putting the historical and philosophical aspects of the text into context and illuminating the etymological nuances of particular Japanese words and phrases As a modern martial artist and a scholar Tokitsu provides a view of Musashi's life and ideas that is accessible and relevant to today's readers and martial arts students

ouvrage nous propose une synthèse de ce que fut le Japon dominé par sa caste de guerriers et les politiques d'alors. En s'appuyant sur des sources de la littérature médiévale sur la pensée de guerriers comme Miyamoto Musashi la période Edo ou encore en analysant le regard porté par les Européens l'auteur nous décrit une histoire complexe ambivalente mais de manière accessible. Un livre d'histoire certes mais un livre piquant où le lecteur galope derrière Tameyoshi ou s'embarque sur Hokkaido avec Jules Brunet.

PROPOS DE L'AUTEUR Fasciné par le Japon et le karatéka chevronné Jean Baptiste Chikhi Budjeia est membre de la prestigieuse Kokusa Budoin IMAF et auteur d'un essai philosophique et historique sur les arts martiaux. Au travers de ce livre il met au service de toutes les connaissances qu'il a du Budô et ses méthodes de chercheur afin de proposer une œuvre à la fois exigeante et charnelle.
