Lost In Time By Bridgitte Lesley:

In the Dark Bridgitte Lesley,2022-01-17 Grace had taken on a huge challenge by moving from the city to a ranch with two children She had her plans in place but things didn't go as planned For no rhyme or reason after having paid her deposit the power hadn't been connected Biding her time she waited In the meanwhile they went through unnecessary hardships of every kind Adjusting her internal clock so that they woke up with the sun and went to bed the moment it grew dark Without power her life had been placed on hold causing a delay But she wasn't going to sit back on her laurels If she was going to go without power so would the entire town It didn't take much to cause a total blackout for a couple of days Tit for tat seemed to work at the oddest of times The entire town bore the brunt After spotting Grace and the two tots in the fields her neighbour Trevor was curious Curiosity got the better of him and his outlook on life took a dramatic turn **Petite** Bridgitte

Lesley,2022-01-19 Gabe and Heath had been friends for a couple of years They chatted on the phone and had formed a strong bond and a meaningful relationship Even though they hadn't met each other they could discuss anything He kept on pushing to meet with her After so many years they had still not met for their first cup of coffee The holidays came and Gabe had a freak accident His parents rushed him to the hospital The doctor was so attentive and helpful and sorted out the problem Only Gabe hadn't realized who Doctor Winters was He had noticed everything about her Her gorgeous figure and the way her hands felt on his skin She was the most beautiful woman he had ever seen As Gabe was leaving an ambulance rushed in to the casualties entrance They called for Doctor Winters by name She was gone in a flash Gabe could not believe his luck He had met his Heath **To See the Sights** Bridgitte Lesley,2022-01-14

Appointing an au pair to take care of two young girls sounds like an easy task But not for Phillip After interviewing many unsuitable candidates he had still not appointed anyone Only one woman sounded right for the position And he had let her slip through his fingers Out of desperation he dialled her number after rejecting her initial enquiry Thinking it would be easy to set up an appointment with her he realized she was not a pushover All he wanted was a reliable au pair Tina had different ideas It was a once in a lifetime opportunity to be a tourist in her hometown and have an action packed holiday Accepting the position she did things her way **A Temporary Assignment** Bridgitte Lesley,2022-01-16 After working with his temp for a week Phillip realized his secretary was not up to scratch Rae was super efficient and organized Her prim and proper dress code didn't appeal to him but something about her drew him in Having set his sights on a young woman in the pub he felt rather confused He had never been a womanizer but felt caught in the middle by someone he knew and a complete stranger Once he got to know the real Raeleen Crompton he realized things would change Not only in the office but after hours as well *Age is a Number.*
