Adding a Note to a Timescard Transaction or Row

Logging Into MyTime & Materials > My Timescard

Time

Notes

1

Click the **Notes** tab at the top of the timescard grid to enter the notes column and select **ADD NEW**.

Result: The Add New Note window opens.

2

In the notes field, enter a note.

3

In the **Apply note to** field, select the Timescard transaction to which you want to apply the note.

The note section can be used each day or you can add one note for the entire payroll. In the past, manual timescards use to list how many hours were spent on different activities each day. With this timescard, you can only enter the full hours per day, but you can use the note to enter what happened that day or for the week.

4

In the **Apply note to** field, select a note. If applicable.

5

Click **SAVE**.

Result: The **Q** notes indicator is now visible on the timescard. You can right click the note and select **Q** to print it or **A** to apply the contents of the note.
