Krabat Otfried Preussler, 2010-09-03 One of Neil Gaiman's favourite scary stories for children Krabat and the Sorcerer's Mill Otfried Preussler, 2024-01-09 A dark thriller about a boy forcibly made apprentice to a sorcerer set against enchanted woods and shadowy ruins One of my favorite books Neil Gaiman New Year's has passed Twelfth Night is almost here Krabat a fourteen year old beggar boy dressed up as one of the Three Kings is traveling from village to village singing carols One night he has a strange dream in which he is summoned by a faraway voice to go to a mysterious mill and when he wakes he is irresistibly drawn there At the mill he finds eleven other boys all of them like him the apprentices of its Master a powerful sorcerer as Krabat soon discovers During the week the boys work ceaselessly grinding grain but on Friday nights the Master initiates them into the mysteries of the ancient Art of Arts One day however the sound of church bells and of a passing girl singing an Easter hymn penetrates the boys prison At last a plan is set in motion that will win them their freedom and put an end to the Master's dark designs Krabat of courage and cunning and of high adventure **Otfried Preußler, Krabat** Winfried Freund, Walburga Freund-Spork, 2012 The Satanic Mill Otfried Preussler, 1991 In seventeenth century Germany a boy desperately wants to escape from a school for Black Magic where he is held captive by demonic forces

two types of apprentice The Humiliated Apprentice a foolish bumbler who wields magic ineffectively and promotes obedience to authority and The Rebellious Apprentice who through ambition and transformative skills promotes empowerment and self awareness In an extensive introduction esteemed fairy tale scholar Jack Zipes discusses the significance and meaning of the apprentice stories the contradictions in popular retellings and the importance of magic as a tool of resistance against figures who abuse their authority Twenty specially commissioned black and white illustrations by noted artist Natalie Frank bring the stories to visual life The Sorcerer s Apprentice enlightens and entertains readers with enduring spellbinding tales of sorcery that have been with us through the ages **Otfried Preußler, Krabat** Timotheus Schwake,2007-01 **Fairy-Tale**

 jeugdliteratuur **Bloody Murder** Michelle Ann Abate,2013-03 Off with her head decreed the Queen of Hearts one of a
 multitude of murderous villains populating the pages of children s literature explored in this volume Given the long standing
 belief that children ought to be shielded from disturbing life events it is surprising to see how many stories for kids involve
 killing Bloody Murder is the first full length critical study of this pervasive theme of murder in children s literature Through
 rereadings of well known works such as Alice s Adventures in Wonderland the Nancy Drew Mystery Stories and The
 Outsiders Michelle Ann Abate explores how acts of homicide connect these works with an array of previously unforeseen
 literary social political and cultural issues Topics range from changes in the America criminal justice system the rise of
 forensic science and shifting attitudes about crime and punishment to changing cultural conceptions about the nature of evil
 and the different ways that murder has been popularly presented and socially interpreted Bloody Murder adds to the body of
 inquiry into America s ongoing fascination with violent crime Abate argues that when narratives for children are considered
 along with other representations of homicide in the United States they not only provide a more accurate portrait of the range
 depth and variety of crime literature they also alter existing ideas about the meaning of violence the emotional appeal of fear
 and the cultural construction of death and dying Erzählende Kinder- und Jugendliteratur im Deutschunterricht Jan
