Leaving Time: A Novel by Jodi Picoult (Trivia-On-Books) Trivion Books, 2016-09-08

Trivia on Book *Leaving Time* by Jodi Picoult: Take the challenge yourself and share it with friends and family for a time of fun. Jodi Picoult's book *Leaving Time* is a mystery about a 13-year-old girl who is looking for her mother that disappeared when she was three years old. She uses her scientist mother's journals to look for clues and teams up with a washed-up psychic and an old private detective that worked on her mother's case a decade ago and now drinks a little too much for his own good. The trio finds many questions instead of answers, and some of those questions are a bit hard to answer easily, seeming to intersect with the research in the journals concerning elephant behavior and grief. You may have read the book but not have liked it. You may have liked the book but not be a fan. You may call yourself a fan, but few truly are. Are you a fan?

Trivia on Books is an independently curated trivia quiz on the book for readers, students, and fans alike. Elephants Ellen Greene Stewart, 2022-03-04 Elephants are a keystone species and have been a part of the magic of the thickly forested land of South Africa for millennia This book focuses on the history and work of Knysna Elephant Park a leading South African elephant research facility that has been home to more than 40 elephants in 25 years Unfortunately all the mystique of the Knysna elephant has been reduced to a single elephant left alive Exploring a wide range of topics this book covers the impact of elephants interactions with tourists how they recover from trauma and even their relevance in human healthcare Renowned elephant researchers explain the majesty of the elephant brain which has the largest temporal lobe devoted to communication language spatial memory and cognition To this effect the book emphasizes the threat of poaching to these gentle giants which has almost forced them to extinction Perhaps if humans pay attention to how elephants symbolize our relationship with nature we can learn important lessons about humanity itself

By Any Other Name Jodi Picoult, 2025-08-19 AN INSTANT 1 NEW YORK TIMES BESTSELLER From the 1 New York Times bestselling author an inspiring Elle novel about two women centuries apart one of whom is the real author of Shakespeare's plays who are both forced to hide behind another name You'll fall in love with Emilia Bassano the unforgettable heroine based on a real

woman that Picoult brings vividly to life in her brilliantly researched new novel *Kristin Hannah* author of *The Women* As an undergraduate Melina Green had a rare opportunity to have one of her first plays judged by famous theatre critic Jasper Tolle only to be publicly humiliated by a harsh and biased critique Ten years later her confidence as a playwright hasn't recovered even though she has just completed a work that she thinks is her best yet It is based on the life of her ancestor Emilia Bassano the first published female poet in England and rumored to be the Dark Lady of Shakespeare's sonnets but whom some scholars suspect may be the real author of a number of his plays Melina wonders if she dares risk failure again and then her best friend takes the decision out of her hands and submits it to a festival under a male pseudonym In 1581 the young orphan Emilia Bassano is being raised in the ways of the English aristocracy by the Baron Willoughby and his sister Her lessons on languages reading and writing have endowed her with a sharp wit and a gift for storytelling But like most women of her day she has no control over her fate and is ripped from her old life and forced to become a courtesan to Lord Hunsdon a man knighted by Queen Elizabeth as the Lord Chamberlain in charge of all theatre in London Though she has no other freedoms she pseudonymously sets her own pen to paper inspired by the work of the most brilliant playwrights of the time Told in dual intertwining timelines this sweeping tale of ambition courage and desire centres two women who are determined to create something beautiful despite the prejudices they face As Emilia alters the course of her life and the world she blazes a trail Centuries later will Melina face the same terrible fate to have her work celebrated but only at the price of letting another take credit
