I Married an Atheist ...Thank God! Michele Ketzmerick, 2012-07 Michele Ketzmerick grew up feeling relieved she was a Catholic who belonged to the best religion the one true faith that purportedly offered the only real way to heaven As a sometimes rebellious teenager Michele never strayed far from the dark confessional knowing she would always be forgiven no matter how grave the transgression Yet after four decades of proud Catholicism a crisis prompted Michele to embark on an enlightening quest into her faith and beliefs in which she soon discovered more about herself than she ever imagined When Michele found herself facing the possibility of a

life threatening medical diagnosis she suddenly realized that for someone with a supposedly sturdy faith she was terrified of death of heaven and of an uncertain afterlife As she reveals how she began to question her faith and the tenets of her religion Michele details how she unexpectedly learned more about peace compassion and morality from nonbelievers than she had during her entire life as a theist and subsequently experienced the consequences of maneuvering in territory once forbidden for people of faith I Married an Atheist thank God shares the compelling story of one woman s transition from long held Catholicism to the courageous realization that it is okay to live a cherished respectful and loving life without religion *If It's Not One Thing, It's Your Mother* Julia Sweeney,2014-04-08 While Julia Sweeney is known as a talented comedienne and writer performer of her one woman shows she is also a talented essayist and the past few years have provided her with some rich material Julia adopted a Chinese girl named Mulan and then a few years later married and moved from Los Angeles to Chicago She writes about deciding to adopt her child strollers nannies knitting being adopted by a dog The Food Network and meeting Mr Right through an email from a complete stranger Some of the essays reveal Julia s ability to find that essential thread of human connection whether it s with her mother in law or with an anonymous customer service rep during a late night phone call But no matter what the topic Julia always writes with elegant precision pinning her jokes with razor sharp observations while articulating feelings that we all share From publisher description **God Is Redundant** M. Anton Mikicic,2010 M Anton Mikicic s god is redundant evolved from a free thinking dad s letter to his two pre teen daughters not to indoctrinate them into a secular worldview but rather inform them about other perspectives beyond Christianity Written in plain language and containing many famous and thought provoking quotes it recaps some of the classic arguments for and against theism as well as reviews some of the most recent work of authors like Richard Dawkins Sam Harris and Christopher Hitchens Mikicic dispels common misconceptions about theism and atheism and provides simple and straightforward answers to questions like Is the U S a Christian nation What are the differences between faith and reason What are the benefits and drawbacks of religion What are the arguments for and against theism How accurate is the Bible Who was Jesus Was he unique or historical Is religion the basis for morality Born into a Catholic family and educated by Jesuits M Anton Mikicic evolved from an a la carte to a recovering Catholic and is now a full fledged skeptic Always fascinated by philosophy theology science and religion god is redundant is the result of his search for intellectual honesty in matters of faith Professionally Mikicic has worked in marketing and has a master s degree in advertising He s a member of the American Civil Liberties Union and the Freedom from Religion Foundation Mikicic enjoys the arts especially music literature and film His favorite freethinkers include Thomas Jefferson Mark Twain John Lennon Dan Barker Richard Dawkins Sam Harris Christopher Hitchens George Carlin Bill Maher and Julia Sweeney But most of all Mikicic loves just spending time with his family especially traveling to new places enjoying nature or discussing what everyone learned that day over one of his wife s fabulous dinners and a glass of wine **My God's Ok-Your God's Ok** Americus Innocentius,2006-09-01 A Collection of

Profound Nonsense Pondersome Witticisms Throughout history mankind has wondered about the mystery of God the diversity of religion the meaning of life the necessity of death the outline of eternity and the end of everything and all of us Luckily there have always been explanations available in substitution for the need for reflection Unfortunately the answers offered have varied from time to time and place to place rendering their reliability suspect to some Hence there is a lack of universal consensus on any of these matters to date In the interest of the survival of at least a select sample of our species its time to gracefully agree to disagree segregate fact from fiction and move on TOGETHER If we manage to keep our myths to ourselves in no time at all we will have a Wall Mart on the Moon on both sides And soon after there will be a Starbucks on every level spot of each planet in the Steamed Milky Way *God Is Not One* Stephen Prothero,2010-09-20 fascinating guide to religion and its place in the world today In *God Is Not One* bestselling author Stephen Prothero makes a fresh and provocative argument that contrary to popular understanding all religions are not simply different paths to the same God Instead he shows that the differences between the major religions are far greater than we think they each ask different questions tackle different problems and aim at different goals *God Is Not One* highlights the unique aspects of the world s major religions with chapters on Islam Christianity Confucianism Hinduism Buddhism Yoruba religion Judaism Daoism and atheism Lucid and compelling *God Is Not One* offers a new understanding of religion for the twenty first century [Life Driven Purpose](#) Dan Barker,2015-04-01 Every thinking person wants to lead a life of meaning and purpose For thousands of years holy books have told us that such a life is available only through obedience and submission to some higher power Today the faithful keep popular devotionals and tracts within easy reach on bedside tables and mobile devices all communicating this common message Life is meaningless without God In this volume former pastor Dan Barker eloquently powerfully and rationally upends this long held belief Offering words of enrichment emancipation and inspiration he reminds us how millions of atheists lead happy loving moral and purpose filled lives Practicing what he preaches he also demonstrates through his own personal journey that life is valuable for its own sake that meaning and purpose come not from above but from within

Letter to My Christian Family and Friends: Living without God Darrel Newkirk MD, MPH,2016-04-04 Darrel D Newkirk MD MPH was a devoted Christian for over 55 years He believed God was calling him to be a medical missionary and subsequently he and his wife prepared to serve as foreign missionaries They served 5 years in Zaire Africa After returning to the United States from Africa he continued to serve actively in their Southern Baptist church He and his wife helped to start a new mission Southern Baptist church in which he was active for over 20 years But then he left not only that church but Christianity itself *LETTER TO MY CHRISTIAN FAMILY AND FRIENDS* Living Without God is the author s answer to the question Why Why did he leave the religion of his parents family and friends after devotedly serving God and His church for over 55 years The book reveals his answers to that question *Positive Psychotherapy* Tayyab Rashid,Martin E. P. Seligman,2019 For over a century the focus of psychotherapy has been on what ails us with the therapeutic process resting

upon the assumption that unearthing past traumas correcting faulty thinking and restoring dysfunctional relationships is curative But something important has been overlooked the positives Shouldn't making us happier better people be explicit goals of therapy Positive Psychotherapy Workbook guides readers through a session by session therapeutic approach based on the principles of positive psychology an exciting new area of study examining the factors that enable us to flourish This workbook designed to be used in conjunction with the accompanying clinician's manual first explains what exactly positive psychotherapy is exploring the important concepts of character strengths What follows are 15 positive psychotherapy sessions each complete with lessons guidelines skills and worksheets for practicing positive psychology skills learned in session Those interested in improving well being through psychotherapy will find in Positive Psychotherapy a refreshing complement to other approaches endowing readers with a sense of purpose and meaning that many have found lacking in more traditional therapies

Unapologetic John W. Loftus, 2016-11-01 Just as intelligent design is not a legitimate branch of biology in public educational institutions nor should the philosophy of religion be a legitimate branch of philosophy So argues acclaimed author John W Loftus in this forceful takedown of the very discipline in which he was trained In his call for ending the philosophy of religion he argues that as it is presently being practiced the main reason the discipline exists is to serve the faith claims of Christianity Most of philosophy of religion has become little more than an effort to defend and rationalize preexisting Christian beliefs If subjects such as biology chemistry physics and geology are all taught without reference to faith based supernatural forces as explanations faith based teachings should not be acceptable in this discipline either While the book offers a fascinating study of the fallacies and flaws on which one whole field of study rests it speaks to something much larger in the ongoing culture wars By highlighting the stark differences between faith based reasoning and evidence based reasoning Loftus presents vital arguments and lessons about the importance of critical thinking not only in all aspects of study but also in life His conclusions and recommendations thus resonate far beyond the ivory towers and ivy covered walls of academic institutions

A 21st Century Rationalist in Medieval America John Bice, 2007 Exploring the power of preaching to the converted this motivating collection challenges other atheists secularists agnostics and freethinkers to become vocal and involved in their own local media adding a rational voice to the daily dialogue taking place in newspapers across the country

The Christians' God Does Not Exist! Yes, He/She Does! Proncell F. Johnson Jr., 2018-02-22 The Christians God Does Not Exist Yes He She Does By Proncell F Johnson Jr Carl Sagan popular astronomer cosmologist astrophysicist and astrobiologist wrote *We are Star Stuff* which has taken its destiny into its own hands The scientific community basically agrees that everything is made of atoms Proncell F Johnson Jr says that they are all wrong Johnson shows that the material universe along with us mortals is one big illusion for all things are actually incorporeal spiritual the manifestation of the spiritual being we Christians have come to call God He says that the realization of and utilization of this fact will enable one to duplicate for himself the so called miracles of Christ Jesus in degrees thus proving the existence of this
