when it comes to saving her beloved oil company do I find myself making all sorts of proposals just to keep this particular Angel happy Guardian Groom This is Grant's story What a legacy for my father to leave me Crista Adams my ward But the woman is no more a child than I am In fact with her lifestyle I doubt Crista ever was a child Why is it then that I who've never let a woman get under my skin am so jealous of every man in Crista's life That's why I've decided to really act as her guardian I've demanded that she move in with me But that's surely the craziest idea I've ever had Now I have the feeling that nothing in my life will ever be the same again Hollywood Wedding Zaeh says Why did I have to be the one left with my father's mistress Still I know her type and she should have been easy to dismiss After all Eve Palmer didn't actually climb the corporate ladder she got to the top on her back in a tangle of silken sheets But when I met her was I in for a shock Innocent vibrant and talented Eve was nothing like I'd imagined Now I'm in so deep I realise I'm in danger of repeating my old man's mistake and falling in love Marriage is the last thing I want and even the prospect of a Hollywood wedding won't change my mind Spring Bride It's Kyra's turn My father's legacy allowed me to assert my independence after years of being the pampered Landon princess But I've discovered independence has its own problems Antonio Rodrigo Cordoba del Rey will help me but at a price He wants to own me body heart and soul Pride prevents me from calling on my family for help but if I succumb to Antonio's terms I know I'll never be free again
