 understanding of the Italian experience onto the broader picture of diasporic stories though with an anchor in the Australian
 Italian experience It brings together key essays and testimonials that frame a picture of Italy s rich legacy at home in Europe
 more widely and in the post colonial sphere with a particular emphasis on the Australian experience The essays collected
 here focus on the way an Italian Australian story has emerged and evolved in its own unique way In some respects it might
 be possible to define Australia through this community as an Italian space very much inscribed and described by the many
 voices that characterise it What is clear throughout these pages is that past present and future circulate through and around
 each other just as notions of nation colonial postcolonial emigrant and immigrant jostle for purchase in what is in fact a
