Madame Roland By John Sc Abbott:

Madame Roland John Stevens Cabot Abbott, 1878 **Madame Roland** John Abbott, 2017-12-05 Many characters of unusual grandeur were developed by the French Revolution Among them all there are few more illustrious or more worthy of notice than that of Madame Roland The eventful story of her life contains much to inspire the mind with admiration and with enthusiasm and to stimulate one to live worthily of those capabilities with which every human heart is endowed No person can read the record of her lofty spirit and of her heroic acts without a higher appreciation of woman's power and of the mighty influence one may wield who combines the charms of a noble and highly cultivated mind with the fascinations of female delicacy and loveliness To understand the secret of the almost miraculous influence she exerted it is necessary to trace her career with some degree of minuteness from the cradle to the hour of her sublime and heroic death **History of**

Abbott, 2010-02-16 A passage from the book The history of Madame Roland embraces the most interesting events of the French Revolution that most instructive tragedy which time has yet enacted There is perhaps contained in the memoirs of no other woman so much to invigorate the mind with the desire for high intellectual culture and so much to animate the spirit heroically to meet all the ills of this eventful life Notwithstanding her experience of the heaviest temporal calamities she found in the opulence of her own intellectual treasures an unfailing resource These inward joys peopled her solitude with society and dispelled even from the dungeon its gloom I know not where to look for a career more full of suggestive thought
