Mass Effect: Ascension Drew Karpyshyn, 2010-08-05 Location Our galaxy at a time set far in our future Every 50 000 years a race of machines returns to harvest the galaxy s organic life forms In the first MASS EFFECT game it is the year 2183 and the machines are about to return once again This book will be a bridging novel set between the first and second MASS EFFECT games

BioWare's Mass Effect Jerome Winter, 2022-11-24 The videogame series Mass Effect is a remarkable rarity not only for being an original science fictional franchise of recent vintage that has risen to such prominent commercial and critical success in popular culture but also for pushing the canonical boundaries of how science fiction as a genre will be experienced and understood in the future This book analyzes the significance of the game for an understanding of the evolving SF genre and articulates an explanatory framework to limn its landmark reception in videogame history This book both synthesizes the burgeoning body of scholarship on Mass Effect for a readership unfamiliar with either the game or the critical conversation on its salient importance while simultaneously for readers already invested in the science fiction and videogame scholarship mounting an extended inquiry as to why Mass Effect has served as such a representative milestone in videogame and genre history The book should appeal to veteran science fiction and videogame scholars and students as well as a wide variety of fans consumers gamers and general readers

Mass Effect: Ascension Drew Karpyshyn, 2008-07-29 When they vanished fifty thousand years ago the Protheans left their advanced technology scattered throughout the galaxy The chance discovery of a Prothean cache on Mars allows humanity to join those already reaping the rewards of the ancients high tech wizardry But for one rogue militia the goal is not participation but domination Scientist Kahlee Sanders has left the Systems Alliance for the Ascension Project a program that helps gifted biotic children harness their extraordinary powers The program s most promising student is twelve year old Gillian Grayson who is borderline autistic What Kahlee doesn t know is that Gillian is an unwitting pawn of the outlawed black ops group Cerberus which is sabotaging the program by conducting illegal experiments on the students When the Cerberus plot is exposed Gillian s father takes her away from the Ascension Project and flees into the lawless Terminus Systems Determined to protect Gillian Kahlee goes with them unaware that the elder Grayson is in fact a Cerberus operative To rescue the young girl Kahlee must travel to the farthest ends of the galaxy battling fierce enemies and impossible odds But how will she be able to save a daughter from her own father This novel is based on a Mature rated video game
