PCAOB adopted a new auditor reporting standard and related amendments that will require the auditor to provide new information about the audit and make the auditor's report more informative and relevant to investors and other financial statement users. The standard and related amendments were subsequently approved by the SEC on October 23, 2017, and are effective as of audits of fiscal years ending on or after December 15, 2017, except for the Critical Audit Matters section of the standard and related amendments which have a phased effective date. This 2018 edition of the AICPA's PCAOB Standards and Related Rules includes the newly approved standard, The Auditor's Report on an Audit of Financial Statements When the Auditor Expresses an Unqualified Opinion AS 3101. In addition, this title also features updated staff guidance, including a new question and answers section, updated guidance for firms filing the new Form AP, and a new Staff Audit Practice Alert to assist auditors in applying PCAOB standards when auditing companies' implementation of the new FASB revenue accounting standard.

United States International Monetary Fund, Monetary and Capital Markets Department, 2015-04-02. This paper discusses key findings of the Detailed Assessment of Observance of the Insurance Core Principles on the United States. The assessment finds a reasonable level of observance of the Insurance Core Principles. There are many areas of strength, including at the state level, the powerful capacity for financial analysis with peer group review and challenge through the processes of the National Association of Insurance Commissioners. Lead state regulation is developing, and a network of international supervisory colleges has been put in place. Key areas for development include the valuation standard of the state regulators, especially for life insurance and group capital standards.

United States International Monetary Fund, 2010-05-14. This paper discusses key findings of the Detailed Assessment of Observance of International Association of Insurance Supervisors (IAIS) Insurance Core Principles for the United States. Most U.S. insurers write primary insurance on U.S. risks. The U.S. market is characterized by low market concentration in most sectors, indicating a high degree of competition. Overall, the insurance sector and the property and casualty companies in particular have been resilient through the financial crisis. However, there have also been significant stresses in the insurance sector in the last two years.
