Chris Willows Corporate Communications Director BMW Great Britain BMW is the most remarkable phenomenon to hit the auto industry in a generation Celebrated for its luxury sports cars motorcycles and aero engines in the pre war era it squandered its glamorous heritage in the 1950s on its knees and near bankrupt it was rejected as a lost cause when offered by desperate banks to Mercedes Benz But thanks to a wealthy German aristocrat a brilliant engineer and a young and inspirational manager Mercedes would soon regret not having scooped up the once glorious firm pioneering the concept of the compact high quality sports saloon the visionary new team systematically built BMW into the spectacular success we know today Through the most expressive medium of all the cars themselves The Complete Book of BMW tells the story of one of the most remarkable turnarounds of the century From the iconic 2002tii of the 1960s through the mighty M3 of the 1990s to today's born again MINI and the crowning glory of the Rolls Royce Phantom Every model since 1962 Technical specifications and performance data Production and sales data Key decisions that made BMW great Von Kuenheim's brilliant template Taking technology leadership 1 600 color photographs The new focus premium at every level About the Author Tony Lewin is an automotive writer and commentator specializing in the business and design sides of the auto industry He has reported on the automobile sector for more than two decades as editor of industry publications such as What Car Financial Times Automotive World and World Automotive Manufacturing and as a regular columnist in magazines and newspapers in Europe Japan and the United States General Audience The Complete Book of BMW tells the remarkable story of the company and its cars From the luxury sports cars and motorcycles of the pre war era through its rebirth at the hands of a wealthy German aristocrat a brilliant engineer and an inspired manager during the past two decades the book uses the most expressive medium of all the cars themselves to illustrate the story of one of the most remarkable turnarounds in automotive history **BMW Cars 1945 to 2013** Trevor Alder, 2025-07-15 A comprehensive pictorial history of BMW cars covering the post war models right through to 2013 when electric and hybrid models started to make an appearance The detailed text covers all model ranges and includes full specs colour variations and styling details Illustrations include period photographs advertising brochures and original drawings Complementing the historical content are technical specifications ongoing production changes and build figures making this the ideal reference work for model identification and authenticity Appendices cover model designations motorsport achievements and TV movie appearances This title is a bookshelf must for anyone interested in BMW motoring heritage *Focus On: 100 Most Popular Station Wagons* Wikipedia contributors, **Focus On: 100 Most Popular Sedans** Wikipedia contributors, **American Book Publishing Record**, 2004 **BMW 5 Series** James Taylor, 1999 In this manual motoring historian James Taylor tells the story of the design development and production of the BMW 5 Series through each generation Topics covered include the history of BMW before the 5 Series detailed model by model

specifications production details and running costs M Series and touring models and advice on buying a BMW 5 Series today

**BMW Z-Cars** James Taylor, 2019 After the many exciting and innovative products in its past by the mid 1980s BMW was perhaps beginning to look a little staid with a reputation largely based on building surefooted and reliable fast saloons sedans for the executive market The formation of an internal think tank BMW Technik with an ongoing brief to explore all areas of potential product development allowed bold new ideas to surface The first BMW Technik model to make it to production was the Z1 roadster and this is the reason why today's BMW roadsters carry the letter Z Here is the full story of all the Z prototypes and concept cars and particularly the production models Z1 Z3 M Roadster and M Coupe and Z8 which have done so much to change the public's concept of the BMW marque
