Dan Gallagher, 2018-09-25 Take charge of your finances with little known advice from a financial expert Catholic Writers Guild Seal of Approval There are six interrelated segments to a complete financial plan Cash Budget Planning Insurance Risk Management Tax Management Retirement Planning Investment Planning and Estate Planning What aspects of the financial plan require sophisticated planning by a professional and what can savvy well educated consumers handle themselves The Secrets of Successful Financial Planning empowers readers to take charge of their financial present and future regardless of where they are financially by presenting technical jargon in a way that is easy to understand Here is sage advice and insider information known to the very few Written for DIYers and those needing to select or understand advisors Useful for new savers up to mid retirees 30 dramatic true stories of client triumphs and tragedies no dull case studies Unbiased perspective is neither insurance nor investment skewed and provides industry secrets Access via author website to customizable spreadsheets and more Here is sage advice and insider information known to the very few For example consumers buy more long term care insurance than they need because their advisors are forbidden to show them alternative or supplemental strategies They buy one large life policy when best practice analysis usually would find need for two smaller distinctive types They get recommendations for annuity insurance and investment replacement but how can they be certain the answers they get are unbiased Author Dan Gallagher provides advice and counsel that will help readers set the stage for financial security for themselves and their families He shares what you can do yourself and when you need a pro's help **Definitive Guide on Financial Planning in Marriage** Joseph N. Iwuala . CPA FCA, 2023-11-22 The purpose of this book is to help couples to build solid marriages devoid of financial conflicts and marital dissolutions due to money arguments in marriage by understanding financial planning in marriage God's design for marriage commitment in marriage and the need to put one's spouse above the love for money This book will help rescue couples teetering on the edges of separation and divorce because of money arguments in marriage Scholarly research has found that thousands of couples are separated or divorced yearly because of money arguments in marriage The enemy of the family knows that once couples are separated those under their care such as their children will be vulnerable to all kinds of social vices such as drug use dropping out of school ending up in jail prostitution and having children as single parents Children raised in broken homes do not perform well in a society like those born and raised in two parent homes
