Bye Bye I Love You Michael Erard, 2025-02-11 A beautiful and intimate exploration of first and last words and the many facets of how language begins and ends from a pioneering language writer With our earliest utterances we announce ourselves and are recognized as persons ready for social life With our final ones we mark where others must release us to death's embrace In *Bye Bye I Love You* linguist and author Michael Erard explores these phenomena commonly called first words and last words uncovering their cultural historical and biological entanglements and honoring their deep private significance Erard draws from personal historical and anthropological sources to provide a sense of the breadth of beliefs and practices about these phenomena across eras religions and cultures around the world What do babies first words have in common How do people really communicate at the end of life In the first half of the book Erard tells the story of first words in human development and evolution and how the attention to children's early language a modern phenomenon arose In the second half he provides a groundbreaking overview of language at the end of life and the cultural conventions that surround it Throughout he reveals the many parallels and asymmetries between first and last words and asks whether we might be able to use a linguistic understanding of end of life to discover what we truly want **The Girl's Own Annual**, 1896

Lady Jane Grey Eric Ives, 2011-09-19 Lady Jane Grey is one of the most elusive and tragic characters in English history In July 1553 the death of the childless Edward VI threw the Tudor dynasty into crisis On Edward's instructions his cousin Jane Grey was proclaimed queen only to be ousted 13 days later by his illegitimate half sister Mary and later beheaded In this radical reassessment Eric Ives rejects traditional portraits of Jane both as hapless victim of political intrigue or Protestant martyr Instead he presents her as an accomplished young woman with a fierce personal integrity The result is a compelling dissection by a master historian and storyteller of one of history's most shocking injustices Studious Women. From the French of Monseigneur D. ... Translated by R. M. Phillimore Félix Antoine Philibert DUPANLOUP (Bishop of Orleans.), 1868

Out Here Tomasz Basiuk, Dominika Ferens, Tomasz Sikora, 2009-03-26 *Out Here* originates from a series of queer studies conferences which took place in Poland between 2002 and 2004 and includes essays, an autobiographical account, and two short stories. Their authors are of eight nationalities: Canadian, Belgian, Flemish, German, Hungarian, Polish, Spanish, Ukrainian, and U.S. American. The academic papers represent a wide range of disciplines: philosophy, literature, ethnography, cultural and gender studies. Some combine theoretical insights and critical analysis with suggestions for activism. The short stories explore the formative moments of a queer adolescence in Anglophone Canada. The eclecticism of *Out Here* reflects the cauldron-like mix of concerns taken up locally in places considered peripheral in relation to the centers of queer theory in British and American academia. It is out here or back then, often within the context of rampant homophobia that queer methodologies prove especially productive. Out here, queer theory is alive and kicking. Whether the authors write about sexual awakenings in Sri Lanka and Canada or heterosexism in contemporary Ukraine, Hungary, Belgian parks, and 1970s Britain, or racial exclusion in American gay bars or the veiled homophobia of Polish textbooks, what connects them is the commitment to questioning the limitations placed on queer desire.

She Who Spins the Coils of Creation Leslene della-Madre, 2023-06-28 Leslene della Madre's book *She Who Spins: Creation, Sacred Female Cosmology in the Electric Plasma Universe* is essential medicine and a much-needed balm for the spirit in these perilous times of toxic masculinity, toxic capitalism, toxic patriarchy, and the perpetuation of the annihilation of women's wisdom and power, also known as the Inquisition, in which female embodied existence and wisdom continue to be silenced and every attempt to eradicate us, deny our culture, belittle, and erase our knowledge continues to unfold. It is also a master class in how to excavate and reclaim female embodied experience, wisdom, empowerment, and sovereignty. Della Madre exposes the misogyny inherent in patriarchal myth and science, from physics to molecular biology, delving into the mysteries of matter, the mammalian egg, mythologies of female origins, the Electric Universe, plasma cosmology, and much, much more. She invites us to awaken to the reality of a truly female cosmology that has always reflected as above, so below, and always will, but that has been denied and subjected to nearly complete erasure in numerous ways by male-dominated realities. In doing so, she invokes us to challenge the amnesia of the ages, question all we have been told about who we are, where we come from, and who we can become. She implores us to feel our horns and wings again and reclaim a world in which we understand that we are all electric plasma beings intertwined and interconnected in tune with the cosmos, the greater organism. This is the way to heal the violence that has been done to the Earth, Nature, and women by thousands of years of patriarchal colonization. This book is

also a clarion call for action for women to remember our magic and to seek guidance from the ancestral realms to help restore us to wholeness This profound book should be made into a documentary series Mary Saracino author LAMBDA award finalist

Lbj the Dallas Incident Dr. John Chandler Griffin, 2013-08-01 The Kennedy Incident November 22 2013 will mark the 50th anniversary of the greatest crime ever committed in this great nation the assassination of John F Kennedy the president of the United States Then two days later the man accused of having committed that crime Lee Harvey Oswald was also murdered shot down in the Dallas Police Headquarters by mob thug Jack Ruby The nation was aghast How could such things happen in 20th century America Ah but not to worry President Lyndon Baines Johnson immediately announced the appointment of a blue ribbon committee chaired by none other than the Chief Justice of the Supreme Court Earl Warren to discover just how such murders could have happened in Dallas Texas in 1963 Known as the Warren Commission it was a committee whose judgment could not be questioned But then a year later the WC issued its report known as the Warren Commission Report and almost immediately citizens from one end of the country to the other were yelling questions charged questions that insulted both the WC's judgment and its objectivity As though that were not bad enough A few months later a New York attorney Mark Lane hired by Oswald's mother to vindicate her son published his myth shattering book *Rush To Judgment* The Warren Commission was blown out of the water But still no satisfactory answers were forthcoming Lyndon Baines Johnson and his political sycophants were very happy to blame Oswald for the entire tragedy Anyone but themselves Then in New Orleans rose a new challenge District Attorney Jim Garrison began his investigation into the murders But again the Federal Government reared its ugly head State governors across the nation were advised to ignore subpoenas to testify in Garrison's trial And in almost every instance those governors obeyed their orders Other essential witnesses simply committed suicide Garrison himself was pilloried and held up to ridicule by the national news media Still he persisted In the end with no witnesses to testify Garrison's trial ended in not guilty verdicts Still after 50 years he remains the only person ever to bring anyone to trial for the murders that occurred in Dallas some fifty years ago In this book based on the evidence and testimony associated with the murders of Kennedy and Oswald I have tried to present events as they actually occurred and show who was truly behind them And I do so with no apologies to anyone I will say that my heart goes out to Marina Oswald and her two daughters June Lee and Rachel May God be with them
