Handbook of Children's Rights Martin D. Ruck, Michele Peterson-Badali, Michael Freeman, 2016-12-08 While the notion of young people as individuals worthy or capable of having rights is of relatively recent origin over the past several decades there has been a substantial increase in both social and political commitment to children's rights as well as a tendency to grant young people some of the rights that were typically accorded only to adults In addition there has been a noticeable shift in orientation from a focus on children's protection and provision to an emphasis on children's participation and self determination With contributions from a wide range of international scholars the Handbook of Children's Rights brings together research theory and practice from diverse perspectives on children's rights This volume constitutes a comprehensive treatment of critical perspectives concerning children's rights in their various forms Its contributions address some of the major scholarly tensions and policy debates comprising the current discourse on children's rights including the best interests of the child evolving capacities of the child states rights versus children's rights rights of children versus parental or family rights children as citizens children's rights versus children's responsibilities and balancing protection and participation In addition to its multidisciplinary focus the handbook includes perspectives from social science domains in which children's rights scholarship has evolved largely independently due to distinct and seemingly competing assumptions and disciplinary approaches e.g childhood studies developmental psychology sociology of childhood anthropology and political science The handbook also brings together diverse methodological approaches to the study of children's rights including both quantitative and qualitative perspectives and policy analysis This comprehensive cosmopolitan and timely volume serves as an important reference for both scholarly and policy driven interest in the voices and perspectives of children and youth

State of the World's Children, 2009 On 20 November 2009 the global community celebrates the 20th anniversary of the adoption by the United Nations General Assembly of the Convention on the Rights of the Child the unique document that sets international standards for the care treatment and protection of all individuals below age 18 To celebrate this landmark the United Nations Children's Fund is dedicating a special edition of its flagship report The State of the World's Children to examining the Convention's evolution progress achieved on child rights challenges remaining and actions to be taken to ensure that its promise becomes a reality for all children The statistical tables presented in this volume assist in meeting the demand for timely reliable comparable and comprehensive data on the state of the world's children

Future of Children's Rights Michael Freeman,2015-01-08 This volume is in part intended to celebrate the 25th anniversary of the United Nations Convention on the Rights of the Child We are now a generation on from its formulation and as this varied collection of articles by leading thinkers in the field reflects children s rights have come a long way Yet the aim of this volume is not to look back but to take stock and look forward It explores subjects as diverse as socio economic rights corporal punishment language and scientific progress as they relate to children and their rights and offers new insights and new ideas Edited by one of the most respected and leading scholars in the field The Future of Children s Rights constitutes a stimulating and useful resource for academics and practitioners alike **The State of the World's Children 2002** Carol

Bellamy,UNICEF.,2001 The theme of leadership in this publication is related to the role of governments and international institutions in protecting the well being of children It is in three sections the first birth and broken promises contrasts the reality of the life of a child born eleven years ago with the promises made at the World Summit for Children held in New York in 1990 The section to change the world with children looks at the way UNICEF has called attention to the plight of children The last section actions that can change the world concludes that investing in children is the best investment a country can

make and that no country has made a leap to sustainable development without investing significantly in its children

Children and International Human Rights Law Aisling Parkes, 2013-08-15 The United Nations Convention on the Rights of the Child 1989 is one of the most highly ratified human rights treaties in the world with 192 states currently signed up to it Article Twelve is fundamental to the Convention and states that all children capable of forming views have the right to express those views and recognises that all children have the right to be heard in any judicial and administrative proceedings affecting them This book explores the historical and theoretical background to Article Twelve and examines the various models of participation which have been created to facilitate a better understanding of this provision Aisling Parkes analyzes the extent to which Article Twelve has been implemented under international law and in domestic law as well as setting out recommendations for the most effective ways of implementing Article Twelve in all areas of children's lives Resources in Education, 2001-10 **The State Practice of India and the Development of International Law** Bimal N.

Patel, 2016-06-27 The State Practice of India and the Development of International Law by Bimal N Patel provides a critical analysis of India's state practice and development of international law Providing insight into the historical evolution of Indian state practice from pre 1945 period through the 21st century the work meticulously and systematically examines the interpretation and execution of international law by national legislative executive and judicial organs individually as well as collectively The author demonstrates India's ambitions as a rising global power and emerging role in shaping international affairs and convincingly argues how India will continue to resist and prevent consolidation of Euro American centric influence of international law in areas of her political economic and culture influence *Report of the Committee of Experts on the Application of Conventions and Recommendations (articles 19, 22, and 35 of the Constitution)* International Labour Office, International Labour Office.
