Let's Choose to Stay Together Stacey L. Griffin, 2022-06-06 The world says marriage isn't important anymore. But author Stacey L. Griffin believes otherwise. In *Let's Choose to Stay Together*, she helps those looking to get married and those already married by providing the necessary tools for success during good and rough times. Developed to encourage single and married people alike, Griffin reminds you through messages, scriptures, and poetry that a happy, whole, and secure marriage starts with your relationship with God and overflows into every area of your life, including relationships with others. God ordained marriages, and he wants them to work out, even the ones where it seems like there's no hope. *Let's Choose to Stay Together* tells the world that although people often view marriage the same as buying shoes when they wear out, just get new ones, or it seems like a waste of time because of the commitment it takes to remain connected, it's worth it. You won't regret the work you put in when you're both seasoned in age and know you grew old with your spouse through challenges, the kids, and all the beautiful memories because you both intentionally said "I do."

Choose Wisely - A 31 Day Devotional: Learn How to Make Choices to Transform Your Life Debby Sibert, 2021-04-22 Have you found that some of the many choices you make on a daily basis have become habits that don't serve you well? We have to become intentional about avoiding those poor choices to experience a better way of life. Do you want to make a positive impact and leave the world around you a bit better than you found it? Then let's choose to make wiser decisions, remembering that words matter, character counts, and our conduct. What we think, say, and do reveals our heart. The purpose of this 31-day devotional series is to help us all focus on godly characteristics and attributes that can become a daily part of our character and equip us to make wise choices. When we make wise choices based on God's Word, they will bring us the satisfaction in life that we all long for, which will gradually transform our lifestyle into one that will be an example for others and point them to Christ. My goal in this series is to help you fall in love with Jesus in a new and fresh way as we discuss all these character qualities that He modeled for us in the Scriptures. As we focus our attention on His attributes and embrace an eternal

perspective imitating what he modeled for us the more we will think and act like Him Isn't that awesome We become like those with whom we spend the most time The way we think affects how we feel and how we feel affects the way we behave If we want to change the way we act we must go back and change our thoughts and choices We are only as close to God as we choose to be Keep in mind God gives us the freedom to make choices however we have to deal with and don't get to choose the consequences of both the good and bad choices we make Jesus chose to die for us The least we can do is to choose to live for Him I am so thankful for Debby Sibert for her writing for her teaching and for her life She is the real deal She loves God's Word and she loves helping people experience abundant life according to God's good design You will be blessed encouraged challenged and ultimately changed by God's grace through her David Platt New York Times Best Selling Author Lead Pastor McLean Bible Church

A Girl's Guide to Making Really Good Choices Elizabeth George, 2013-09-01 Every girl is a beautiful creation uniquely equipped by God to do His work in the world But as girls are growing changing and making choices about the kinds of lives they will lead they are bombarded with conflicting messages about what it means to be a woman The media says one thing boys say another and friends seem obsessed with whatever is newest and coolest As a result girls too often hand their decisions over to those least qualified to make them Into the breach steps Elizabeth George bestselling author and beloved Bible teacher With wisdom gentleness and tremendous grace she guides tween girls ages 8 to 12 through the most challenging decisions they face teaching them to let God not the world define who they are Discussing such topics as attitude friendships crushes parents school and avoiding bad situations Elizabeth helps girls see that the very best choice of all is a choice to live within God's will Perfect for individuals small groups and mentoring

Federico Echenique, Nicole Immorlica, Vijay V. Vazirani, 2023-06-22 The rich multi faceted and multi disciplinary field of matching based market design is an active and important one due to its highly successful applications with economic and sociological impact Its home is economics but with intimate connections to algorithm design and operations research With chapters contributed by over fifty top researchers from all three disciplines this volume is unique in its breadth and depth while still being a cohesive and unified picture of the field suitable for the uninitiated as well as the expert It explains the

dominant ideas from computer science and economics underlying the most important results on market design and introduces the main algorithmic questions and combinatorial structures Methodologies and applications from both the pre Internet and post Internet eras are covered in detail Key chapters discuss the basic notions of efficiency fairness and incentives and the way market design seeks solutions guided by normative criteria borrowed from social choice theory
