Achieving Global Convergence of Financial Reporting Standards Christopher Patel, Parmod Chand, 2011-12-15 This research monograph examines whether International Financial Reporting Standards IFRS are interpreted and applied in a consistent manner within and across countries and questions the implicit assumption that accounting convergence will automatically lead to comparability in financial reporting MAKING SCIENCE, INNOVATION AND RESEARCH WORK FOR THE SUSTAINABLE DEVELOPMENT GOALS Prof. Allam Ahmed, 2019-06-17 The theme of the Outlook 2019 is to strengthening the role of science innovation and research uptake in service of the 2030 Agenda for SD The volume will therefore critically examine the important role of science innovation and research for the achievement of the 17 Sustainable Development Goals SDGs of the 2030 Agenda and

to provoke forward thinking on the role of science innovation and research in solving global problems related to sustainability

Transforming Strategic Decision-making through Finance Business Partnering Jimoh K. Ololade, Xihui Haviour Chen, Victor Chang, 2024-09-09 This book addresses a significant research gap by delving into the Finance Business Partnering FBP model within the not for profit sector of the Gulf countries with a specific emphasis on Qatar Foundation While an extensive body of literature explores the FBP model in developed nations there exists a notable dearth of research in the Middle East and third world countries The book aims to rectify this imbalance by offering practical insights derived from Qatar Foundation showcasing the advantages of adopting the FBP model It goes beyond theoretical frameworks presenting in depth data analysis that substantiates the pivotal role of FBPs in supporting effective decision making processes By delving into essential concepts such as change management contingency theory and organizational culture the book provides a comprehensive understanding of the factors influencing the successful adoption and implementation of the FBP model Notably it introduces practical examples and real world applications to underscore the model s efficacy making it a valuable resource for both scholars and practitioners in the fields of management and financial accounting

Accounting Theory Harry I. Wolk, James L. Dodd, John J. Rozycki, 2008 Like its previous editions the Seventh Edition of Accounting Theory presents complex materials in a clear and understandable manner Incorporating the latest accounting standards and presenting the most up to date accounting theory from the top academic journals in accounting and finance throughout the world this book comprehensively presents both the theoretical structure of accounting theory as well as the politics of the standard setting process which often opposes the theoretical structure Key Features A reorganized table of contents with a thoroughly revised chapter on International Accounting Chapter 10 Discussion of the conceptual framework of the IASB Chapter 7 An emphasis on principles based standards as opposed to rules based standards More theoretical issues are related to real world examples coming from the popular news media New questions cases problems and writing assignments many from corporate annual reports An Instructor s Resource CD includes answers to end of chapter materials chapter summaries test banks and PowerPoint slides

Countdown to the Global Financial Crisis Paul Mazzola, 2022-04-20 Whilst the global financial crisis has been written about by many authors this book traces the pattern of crises that have impacted the US investment banking industry to disclose how the banking culture was established at the birth of the United States and culminated in the crisis The culture behaviour of individuals and regulatory bodies all played a part The book explores the humble beginnings of the once respected firm of Lehman Brothers It also provides an example of how the mighty have fallen and offers the industry a cautionary tale

The Boardroom Peter Verhezen, Tanri Abeng, 2022-08-01 Most books about corporate governance are written for a Western audience The Boardroom however takes a different approach to leadership development by emphasizing the unique socio cultural and judicial features as well as idiosyncratic board structures in Asia particularly in an Indonesian context The principles of good corporate governance are accepted across

borders but the implementation and translation of transparency fairness accountability and responsibility can differ quite distinctly from one country to another Amidst global competitive turbulence socio economic volatility and geopolitical uncertainty The Boardroom analyses how Asian boardroom leaders steer organizations and how boards can be more effective Boardmembers appointed and entrusted by their owners are guardians with a fiduciary duty to safeguard an organization and prepare it for a viable and sustainable future Business managers investors academics students and those interested in doing business in Asia will benefit from The Boardroom s practical insights and recommendations to improve corporate governance and strengthen competitive advantage The Boardroom a book written by my predecessor Dr Tanri Abeng and his co author Prof Dr Peter Verhezen who both combine practical experience and academic in depth research gives a good overview of what can and should be expected from a board The authors describe the generic accepted governance principles but rightfully claim the need to translate them into specific rules and regulations that make sense for Indonesian and other Asian companies Erick Thohir The Minister of State Owned Enterprises of the Republic of Indonesia Understanding the dynamics of successful organizations is like being on a quest It probably never ends Organizations are open and social systems that cannot be managed or governed using simple theories and recipes Hence this book invites you to start your own leadership journey and become more mindful of your role in the functioning of a company Prof Dr Koen Vandenbempt Dean of the Faculty of Business Economics at the University of Antwerp Belgium
