Advancing The Kingdom Declaring War On Humanistic Culture:

Advancing the Kingdom Donald W. Schanzenbach,2001 *God, Caesar, and Idols: The Church and the Struggle for America's Soul* Rick D. Boyer,2022-02-09 Once one nation under God America today is desperately sick And the Church seems to have no answers How can a nation so churched be so untouched by the Gospel Why has the Glory departed leaving a nation racked by political hatred drug addiction and shattered families God Caesar and Idols asks these questions and calls the Church to seek God s Word for answers Too many Christians no longer make political choices on the basis of eternal truth but instead make them on the basis of purely financial considerations It s time for the Church to break its addiction to humanistic government schooling and instead bring them up in the nurture and admonition of the Lord This book challenges the Church to reject cheap grace and the easy temptation to be tolerant of society s rebellion We must again honor the authority of God s Word and embrace the life altering power available when we reject our cultural idols and proclaim the whole counsel of God without compromise Armed with careful scriptural exegesis and supported by the words of great Christians from church history God Caesar and Idols encourages the American Church to again contend for the faith in today s culture whatever the cost *Glocal Religions* Victor Roudometof,2018-11-07 This book is a printed edition of the Special Issue Glocal Religions that was published in Religions **The Seeds of Secularization** Gary Scott Smith,1985 **Calling Men out of the Cave** Nigel Mohammed,2015-12-04 In the time of Saul the people of God were in a small minority in a context of spiritual decline yet Jonathan who had an abusive father courageously called six hundred men who were hiding in caves onto the battlefield The battle shifted for Gods people because of one mans outstanding courage Through the onslaught of secularism humanism and related ideologies the church is viewed by the culture to be irrelevant a bit like these men hiding in caves because of the odds that are against them Is this because men have been under some kind of enchantment Under a spell from the enemy who is inherently intangible and has caused the decline of Western culture from a biblical worldview to individualism whose central idea now is that society can be composed of individuals without a central values system and heritage holding them together To destroy a nation the enemy has tried to dismantle families and thus masculinity and femininity Therefore a historical father absence is ultimately a spiritual battle and must be seen as such Jesus lived in a little platoon of twelve men trained invested in and released them therefore we have a proven model to follow why then have men been in serious decline from the church Mentors and spiritual fathers who know their calling are needed to produce men who will reproduce disciples who in turn will also be mentors and spiritual fathers with courage and vision to restore the broken foundations The foundations have been progressively dismantled but men are called to be the foundation by knowing that as followers of Jesus Christ we are the beloved of God and this can be a catalyst to finding and living our calling to live in His larger story together Bulletin of the Atomic Scientists ,1970-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by
