stern and the other from the bow of the same boat Of all the absurd beliefs as to loch fishing this is one of the most absurd Try it Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy or even a cast similar to those which a crack may be using and if he catches one for every three the other has he may consider himself very lucky Of course there are lochs where the fish are not abundant and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught and where each has a fair chance Again it is said that the boatman has as much to do with catching trout in a loch as the angler Well we dont deny that In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream fishing

was an American artist known as the most prolific illustrator to Mark Twain's books and novels. He illustrated the first edition of *The Adventures of Tom Sawyer* (1876) and was thus the first to visually portray such characters as Tom Sawyer and Huckleberry Finn. Mark Twain (November 30, 1835 – April 21, 1910), real name Samuel Langhorne Clemens, was an American writer, humorist, entrepreneur, publisher, and lecturer. Among his novels are *The Adventures of Tom Sawyer* (1876) and its sequel *The Adventures of Huckleberry Finn* (1885), the latter often called *The Great American Novel*. Twain was raised in Hannibal, Missouri, which later provided the setting for *Tom Sawyer* and *Huckleberry Finn*. He served an apprenticeship with a printer and then worked as a typesetter, contributing articles to the newspaper of his older brother Orion Clemens. He later became a riverboat pilot on the Mississippi River before heading west to join Orion in Nevada. He referred humorously to his lack of success at mining, turning to journalism for the *Virginia City Territorial Enterprise*. His humorous story *The Celebrated Jumping Frog of Calaveras County* was published in 1865, based on a story that he heard at Angels Hotel in Angels Camp, California, where he had spent some time as a miner. The short story brought international attention and was even translated into French. His wit and satire in prose and in speech earned praise from critics and peers, and he was a friend to presidents, artists, industrialists, and European royalty. Twain earned a great deal of money from his writings and lectures, but he invested in ventures that lost most of it, notably the Paige Compositor, a mechanical typesetter that failed because of its complexity and imprecision. He filed for bankruptcy in the wake of these financial setbacks, but he eventually overcame his financial troubles with the help of Henry Huttleston Rogers. He chose to pay all his pre-bankruptcy creditors in full, even after he had no legal responsibility to do so. Twain was born shortly after an appearance of Halley's Comet, and he predicted that he would go out with it; as well, he died the day after the comet returned. He was lauded as the greatest humorist this country has produced, and William Faulkner called him the father of American literature.

Tom Sawyer is a youthful, imaginative, and naughty boy who lives in a Mississippi town with his aunt Polly and half brother Sid. Tom falls in love with Becky Thatcher, a young girl who recently moved to the area. After a disagreement, Tom and his best buddy Huckleberry Finn head to the village cemetery where they see the evil Injun Joe murdering Doctor Robinson. When this is discovered, Injun Joe holds Muff Potter accountable. Tom is obviously too young to handle this, and he is reluctant to share what he knows. He chooses to become a pirate and set up camp on an island in the river with Huck and their companion Joe Harper.
