Jerry designed this book so it's a quick and easy read. He purposely kept each chapter short so you can quickly read it while you're in your car in between appointments or waiting for your client to arrive. Each chapter covers one key area you need to improve upon to reach that top 3%. Where appropriate you will find action items, exercises, and scripts so you can embark on your new journey prepared and confident. By utilizing the information in this book and practicing it consistently you will reach that elusive 3%. Whether you're a real estate pro looking to reach the next level or a newbie fresh out of school and looking for reliable information, this book will give you the edge you need. You'll sell more homes, work fewer hours, and have more fun in the process. Sure it will take some work on your part initially, but the rewards will be worth it. Small Business Bibliography, 1963

*Lead Your Way to Real Estate Success* Marlene C Bertrand, 2022-03-04. You know you have what it takes to be a successful real estate agent. And to move your career to the top, you need some guidance to get to where you want to go. Let Marlene Bertrand, a real estate broker who has been a REALTOR since 1989 and a broker since 1993, show you proven real estate strategies that work to generate leads fast. Marlene says, "I have used all of the strategies listed in this book, and I know every single one of them works." Marlene advises agents to find a niche that resonates with their lifestyle and the area they want to work. Then work that niche to perfection. Marlene also reviews real estate coaching systems, various lead generating programs, and lead management programs so you can select the system or program that fits your style best. If you are serious about meeting your real estate objectives, this book is valuable on your bookshelf.

**Real estate: How to become successful on the real estate property (A Step-By-Step Guide to Achieving Real Estate Success)** Tony Pustejovsky. You will also be able to understand the different business strategies that successful landlords use to ensure they maintain their business at a high standard. The advice here will enable you to think of it more like a business than an expensive hobby because you will soon have a reliable source of income that might surpass any other business you have on similar scales. Take heart from the success that most landlords experience because it generates for them a healthy living that allows them to live comfortably with minimum fuss. There are strategies that have been outlined here to help you get started immediately in a market that is as lucrative as the most successful. You will have an intricate understanding of the different approaches involved when making a decision on how to get into the rental business. There is also helpful information provided that highlights the different costs associated and the best return on investment for the landlord. The technical jargon that is sometimes used in more technical works has been broken down here for easier understanding so that you can apply it in your own case. Consider the information you will find here to be extremely valuable because it will set you down a path of success. You will be able to know where to search for information relevant to the area you want to look for rentals so that you can find the right professionals to assist you. By taking advice from this work, you will be helping yourself tremendously in understanding the various risk factors in an otherwise stable and lucrative market for anybody interested in making real money.
