How to Become a Successful Christian Leader Robert H. Pierson, 1978-01-01 **Developing Christian Leadership**

Trevor R. Summerlin, 2023-02-14 This book draws on Trevor's experience in both Christian and secular organisations to look at different patterns for leadership and he explains the necessity for every leader to model a clear strategy for their work. He outlines 8 different philosophical approaches, he identifies 14 potentially destructive attitudes that should be avoided, he highlights 10 major qualities by which every leader should seek to measure themselves and he includes a massive resource in his bibliography. The book is essential reading for every person in any leadership role, whether in business, industry, education or commerce, for every church leader, for every leader in a charity or voluntary organisation, for every person contemplating a position of leadership and for every person who is following someone else's leading. Trevor explains that every organisation would benefit from appointing leaders who accept and understand how to apply these key principles of Christian Leadership.

Christian Ministries And Basic Leadership Dipo Toby Alakija, 2015-10-17 As it is common to say that the hood does not make a monk, the dignified positions and bogus titles of many Christian leaders in modern days do not really make them Gospel Ministers. This course book, a compilation of five resource materials on Missions And Outreach Ministries, Christian Communication Arts, Christian Leadership, Christian Education Methodology and Ministries Of Improvisations, aims at making every matured Christian an effective minister and leader at their respective homes, communities and nations. It teaches various ways Christians can communicate the word of God, meeting up to their responsibilities as ministers and leaders that reconcile people to God, edifying the Body Of Christ and reaching out to souls at the same time. All of the resource materials are in use in Bible Schools like College Of Christian Education And Missions in Churches and other ministries to raise Christian workers, Evangelists, Missionaries and other Ministers that serve at various levels and leadership capacities.
