Advent Conspiracy Can Christmas Still Change The World:

Advent Conspiracy Rick McKinley, Chris Seay, 2009 In four compelling sessions Advent Conspiracy invites individuals families groups and entire churches to substitute compassion for consumerism by practicing four simple but powerful countercultural concepts *Change the World* Michael Slaughter, Mike Slaughter, 2010 A challenge to take the church into the world instead of coaxing the world into the church Library Journal, 2009 The Gospel of John Paul L. Metzger, 2010-10-18 In the Resonate series the stories and insights of each book of the Bible are brought into conversation with contemporary voices of hope and lament In this volume we journey through the Gospel of John with Paul Louis Metzger who wrestles with the question of what happens when God who is love comes to town and takes up residence among us

Evangelical Christians and Popular Culture Robert H. Woods Jr., 2013-01-09 This three volume collection demonstrates the depth and breadth of evangelical Christians consumption critique and creation of popular culture and how evangelical Christians are both influenced by and influence mainstream popular culture covering comic books to movies to social media Evangelical Christians and Popular Culture Pop Goes the Gospel addresses the full spectrum of evangelical media and popular culture offerings even delving into lesser known forms of evangelical popular culture such as comic books video games and theme parks The chapters in this 3 volume work are written by over 50 authors who specialize in fields as diverse as history theology music psychology journalism film and television studies advertising and public relations Volume 1 examines film radio and television and the Internet Volume 2 covers literature music popular art and merchandise and Volume 3 discusses public figures popular press places and events The work is intended for a scholarly audience but presents material in a student friendly accessible manner Evangelical insiders will receive a fresh look at the wide variety of evangelical popular culture offerings many of which will be unknown while non evangelical readers will benefit from a comprehensive introduction to the subject matter This Beautiful Mess Rick McKinley, 2013-07-16 Already Not Yet When Jesus announced the kingdom of God is at hand what did He mean Uncover the reality of the kingdom of God and what it might look like if followers of Christ practiced its in breaking presence What happens when we view life through the lens of the kingdom How does the beauty of Jesus reign break into the mess of our broken lives and world What if we lived as though a world other than this one was here today This Beautiful Mess launches a paradigm shifting journey inviting us to experience the kingdom of God in the ordinary miracle of our everyday lives The kingdom of heaven is like treasure hidden in a field When a man found it he sold all he had and bought that field Matthew 13 44 Jesus sayings about the kingdom of God just might be the most overlooked of his teachings Yet the Good News of the kingdom a treasure beyond price was what he came to preach It s time to ask What is the kingdom Jesus talked about Could it be already here hidden from sight If so where is it How can I be a part of it A new generation is tuning in to the teachings of Jesus and to their revolutionary implications Could it be that living under Christ s reign is not merely a future vision but a present reality Rick McKinley s exploration is

fresh accessible and timely With careful attention to historical texts he unveils new understandings of authentic personal and social transformation The time is now Your opportunity is here In the mess of everyday life you can live in the beautiful presence of the kingdom Story Behind the Book When we started Imago Dei Community it was with a passion to be people who live in love with Jesus and live out the values of His kingdom in our city But we had no idea how to do that God let us stumble into grace and discover the wide open plains of His kingdom This has ruined us in the best way possible Because once you taste untamed life in the kingdom you will never go back to the sterile hallways of religion The beautiful transforming grace of Christ shows up in the messiness of life and the kingdom breaks in as a beautiful mess Rick McKinley
