African Evangelicalism and the Transformation of Africa Jacob K. Olupona, 2025 What is the impact of Evangelical Christianity on Africa Evangelical Christianity and the Transformation of Africa will answer this question Evangelical Christianity is manifesting into a strong presence in African states perhaps more than in any other place in the world Given its exponential rise in Africa it is increasingly clear that Christianity in its evangelical form is exercising significant influence in virtually all spheres of life defining the essence of public and private life Drawing on original works from leading scholars in humanities and social science disciplines such as Afe Adogame Yolanda Covington Ward Jacob Olupona Derek Peterson Shobana Shankar and Nimi Wariboko this volume endeavors to produce a comprehensive study of Evangelical Christianity in Africa paying careful attention to disciplinary interconnections as well as social cultural political and economic forces Among other subjects essays in this volume address examples of evangelical subjectivity and identity formation against the current political backdrops of Nigeria Kenya the Democratic Republic of Congo and other nations While the book works to convey the core elements of the evangelical movement across the African continent it recognizes the importance of its diverse manifestations giving additional focus to Pentecostal groups and their distinct social cultural and political engagements At the same time it works to correct the unwarranted saturation of attention given to Pentecostal Charismatic movements in recent scholarship and expands the study of evangelicalism in Africa into the sphere of mainline churches and extra ecclesial organizations Authors also reflect on the ways that the African diaspora and transnational ties contribute to the make up of contemporary African evangelicalism In short this edited volume examines how the centrality of religion in African affairs political economic cultural ideological domains has contributed to turning Evangelical Christianity into the official face of the Christian Church in Africa today

Amos Jimmy Markin, 2019-02-05 *Transmitting the Spirit in Missions* The History and Growth of the Church of Pentecost discourses on how Pentecostalism in general has been involved in the current growth mission and changing face of global Christianity It argues that African Pentecostals particularly are an integral part of the global expansion of Christianity in this century Specifically this book engages the history and growth of the Church of Pentecost an African Pentecostal denomination from Ghana to demonstrate how African Pentecostals have taken their spirituality into their own hands and planted churches in their home country as well as other parts of the globe The focus of this book is that African Pentecostals have achieved this feat through the experiential power and reliance of the Holy Spirit and the indigenous factor The specific highlight is that this book is an updated analysis of the history growth and missions of the Church of Pentecost Although this work is transformed from a PhD thesis the content is presented accessibly to both the academia and general church populace both pastors and the laity *Drunk in the Spirit* Merrill G. Greene, 2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one's own cherished stories **Forming Femininity in Antiquity** Vita Daphna Arbel, 2012-01-24 In *Forming Femininity in Antiquity* Vita Daphna Arbel investigates depictions of the emblematic Eve that are embedded in one of the most influential accounts of Adam and Eve after the Hebrew Bible namely the apocryphal Greek *Life of Adam and Eve* GLAE from antiquity Treating the figure of Eve as a culturally constructed representation of woman Arbel examines a crucial transformative stage in the literary and conceptual discourse of Eve with a focus on several pivotal issues that have not been looked at in previous scholarship She offers a nuanced analysis of the GLAE's multifaceted and at times contradictory portrayals of Eve and by extension women She also situates these depictions in the hybrid Greco Roman cultural world in which they emerged and discusses the extent to which they both reflect and construct contemporaneous overlapping and competing concepts and norms regarding Eve women's standing role authority and realms of experiences Finally Arbel examines how the GLAE's

representations of Eve women resonate with later Jewish and Christian traditions which often characterize the figure of Eve in accordance with views that are embedded in the GLAE rather than in Genesis **Dreams in Late Antiquity** Patricia Cox Miller,1998-01-11 Centuries By studying together pagan and Christian dreams Cox Miller hopes to reach a better understanding of some fundamental patterns of late antique culture DLGuy G Stroumsa The Journal of Religion A fluent and discursive text This is an adventurous exploration of a range of material which deserves to be more widely known DLGillian Clark The Classical Review *DANIEL DEFOE Ultimate Collection: 50+ Adventure Classics, Pirate Tales & Historical Novels - Including Biographies, Historical Works, Travel Sketches, Poems & Essays (Illustrated)* Daniel Defoe,2024-01-13 In DANIEL DEFOE Ultimate Collection 50 Adventure Classics Pirate Tales Historical Novels readers are presented with a comprehensive anthology that showcases Defoe s remarkable versatility as a writer This collection encompasses over fifty works including captivating adventure narratives thrilling pirate tales and poignant historical novels enriched with illustrations that augment the reading experience Defoe s prose is characterized by its vivid detail and a deep understanding of human nature reflecting the socio political climate of the early 18th century Through travel sketches and essays he intertwines personal experience with broader historical contexts offering a multifaceted view of his time while inviting readers into his imaginative worlds Daniel Defoe a pioneer of the English novel draws heavily on his own diverse life experiences from being a merchant and journalist to facing imprisonment for his political writings His keen observations of society combined with an adventurous spirit likely inspired the tales of resilience and exploration found in this collection Defoe s background in commercial ventures and political activism amplifies the realism and depth of his characters who navigate both personal and collective struggles in a rapidly changing world This extensive collection is an essential read for scholars and enthusiasts of classic literature alike offering modern readers unique insights into early 18th century England Defoe s timeless themes of adventure survival and moral integrity remain relevant making this anthology a valuable addition to any literary library Dive into Defoe s world and discover the narratives that have influenced generations of storytellers
