Advertising Concept And Copy Third Edition

Pete Barry

Advertising Concept And Copy Third Edition:

Advertising George Felton, 2006 A time tested text George Felton Advertising Concept and Copy Second Edition is an innovative approach to advertising creativity It covers the entire conceptual process from developing smart strategy to executing it with strong ads from what to say to how to say it Part 1 Strategies operates on the premise that the idea beneath an ad surface determines its success This first section shows how to research products understand consumer behavior analyze audiences and navigate marketplace realities then how to write creative briefs that focus this strategic analysis into specific advertising objectives Part 2 Executions explains how to put strategies into play It discusses the tools at a copywriter's command from the elements of print advertising headlines visuals body copy to the wide variety of media and advertising genres available to advertisers But creating great executions is never easy So Part 3 the Toolbox gives advice about how to think creatively then presents an array of problem solving tools a series of techniques that advertisers have used repeatedly to produce exceptional work In brief this book shows how to find strong selling ideas then how to express them in fresh memorable persuasive ways Over 200 ads many in color demonstrate the strong thinking and writing that underlie the best advertising This Second Edition features new sections on guerrilla advertising interactive media international and multicultural advertising and postmodern advertising as well as more material on the art of headlines theme lines slogans and naming Advertising Concept and Copy is the most comprehensive text in its field combining substantial discussion of both strategy and technique with an emphasis on the craft of writing not found elsewhere It is truly a writer's copywriting text

Creative Advertising Concept and Copy Georgia-Zozeta Miliopoulou, 2024-04-08 Considering perspectives on creative advertising through a unique media and communications lens this book encompasses both the theory and practical tools needed to approach and understand creativity in advertising with an original eye Drawing from diverse subject areas including Social Anthropology Narrative Theory Consumer Psychology Semiotics and Cultural Studies Creative Advertising Concept and Copy provides a solid grounding in advertising education away from the traditional business and marketing literature Notwithstanding the need for independent inspiration and originality the author guides readers through the entire process of campaign planning moving from strategy to creative idea to finished piece whilst employing concepts and principles relevant to design thinking Taking into account ethics and regulations the use of text and images and storytelling across radio TV and video platforms readers will come to a holistic understanding of what advertising can and cannot do and how to achieve the best results Written for students involved in creative advertising as an area of academic research and professional practice this book will also be of interest to early career advertising professionals seeking a fresh perspective on their work
