**Aelred of Rievaulx's Spiritual Friendship** Saint Aelred (of Rievaulx), Mark F. Williams, 1994 Aelred of Rievaulx's *Spiritual Friendship* is one of the most important treatises on friendship to emerge from the middle ages Working within a tradition that dates back to Cicero and other classical authors Aelred ca 1110-67 discusses friendship from the perspective of Christian theology Although he succeeds in advancing beyond Cicero's pagan concept of friendship to a thoroughly Christian formulation of the idea this treatise is no dry theological text Born of its author's lifelong search for permanence and depth in his relationships with others Aelred's essay also deals with many of the practical issues of friendship how friendships begin how they are nurtured how preserved the dangers to which friendships sometimes fall prey Aelred is especially insistent on the necessity of strong spiritual friendships between individuals within the general context of universal Christian love Aelred sketches out the sorts of relationships that people often substitute for friendship but that usually leave us unfulfilled shallow relationships founded on mutual interest or gain agreement in vices the very human longing for acceptance from almost any quarter But he also gives of himself frankly sharing his own hopes desires and failures in friendships that date back to his earlier life Much of this work's charm comes from Aelred's casting it as a dialogue in three books between himself and three of his fellow monks who seek his advice its rigor lies in Aelred's attempt to blend the best of ancient pagan writing on friendship with the demanding spiritual discipline commonly associated with his Cistercian order There is however yet another element that makes Aelred's *Spiritual Friendship* compelling to contemporary readers the question of the author's sexual orientation Many scholars in the last ten years have speculated that Aelred's emphasis on intense individual friendships was predicated on a homosexual orientation These scholars reinforce their case by referring to some of the autobiographical references that are characteristic of Aelred's writing in the *Spiritual Friendship* and in many of his other treatises This translation addresses this difficult question in an appendix that surveys the evidence from all Aelred's major writings In addition this translation includes an introductory essay that surveys Aelred's life and works as well as earlier traditions of writing on friendship both pagan and Christian This is also the first translation of the *Spiritual Friendship* that is based entirely on the most modern critical edition of the Latin text that of Dom Anselm Hoste Turnhout Brepols 1971

defines human friendship as sacramental beginning in creation as God sought to place his own love of society in all his creatures linking friends to Christ in this life and culminating in friendship with God in beatitude This fresh new translation makes the work crisply readable allowing the intellectual and Christian insight of this great Cistercian teacher and writer to speak clearly to today's seekers of love wisdom and truth

*A Companion to Aelred of Rievaulx (1110-1167)* Marsha Dutton, 2017-01-23 Brill's Companion to Aelred of Rievaulx explores the life works and thought of Aelred Cistercian abbot of Rievaulx Abbey from 1147 to 1167 As well as introducing the three genres of his works sermons spiritual teaching and history scholars survey such central topics as Marian devotion love and friendship the sacramental nature of community lay spirituality and saints lives The work also includes the first supplement to the *Bibliotheca aelrediana secunda* listing publications by and about Aelred from between 1996 and 2015 Aelred is rapidly becoming one of the best known and most loved of the 12th century Cistercians this book provides welcome new insights into his contributions to the spiritual and political concerns of his place and time Contributors are Damien Boquet Pierre Andr Burton Marsha L Dutton Elizabeth Freeman Daniel M La Corte Marie Anne Mayeski Domenico Pezzini John R Sommerfeldt and Katherine Yohe

*Friendship in Medieval Iberia* Antonella Liuzzo Scorpo, 2016-04-15 Private and public relationships frequently labelled as friendships have always played a crucial role in human societies Yet over the centuries ideas and meanings of friendship transformed adapting to the political and social climates of different periods Changing concepts and practices of friendship characterized the intellectual social political and cultural panorama of medieval Europe including that of thirteenth century Iberia Subject of conquests and Reconquest land of convivencia but also of political instability as well as of secular and religious international power struggles the articulation of friendship within its borders is a particularly fraught subject to study Drawing on some of the encyclopaedic vernacular masterpieces produced in the scriptorium of The Wise King Alfonso X of Castile 1252-84 this study explores the political religious and social networks inter faith and gender relationships legal definitions as well as bonds of tutorship and companionship which were frequently defined through the vocabulary and rhetoric of friendship This study demonstrates how the values and meanings of amicitia often associated with classical Roman Visigothic and Eastern traditions were transformed to adapt to Alfonso X's cultural projects and political propaganda This book contributes to the study of the history of emotions and cultural histories of the Middle Ages while also emphasizing how Iberia was a peripheral but still vital ring in a chain which linked it to the rest of Europe while also occupying a central role in the historical and cultural developments of the Western Mediterranean

*Spiritual Theology* Simon Chan, 1998-04-29 Simon Chan surveys the little explored landscape where systematic theology and godly praxis meet and he highlights the connections between Christian doctrine and Christian living

*The Sexual Theologian* Marcella Althaus-Reid, Lisa Isherwood, 2004-01-01 The Sexual Theologian is the first collection of essays on radical sexual theology written by a group of internationally renowned scholars in this area For the first time Queer theory and theology is articulated around themes from systematic theology such

as Incarnation death the concept of God Mariology together with discussions on sexuality and mysticism The essays show a how to do a radical sexual theology together with original bold and transgressive thinking which have taken feminist theologies to a new dimension of action and reflection      **Friendship** Barbara Caine,2014-09-11 There has been an increasing interest in the meaning and importance of friendship in recent years particularly in the West However the history of friendship and the ways in which it has changed over time have rarely been examined Friendship A History traces the development of friendship in Europe from the Hellenistic period to today The book brings together a range of essays that examine the language of friendship and its significance in terms of ethics social institutions religious organizations and political alliances The essays study the works of classical and contemporary authors to explore the role of friendship in Western philosophy Ranging from renaissance friendships to Christian and secular friendships and from women s writing to the role of class and sex in friendships Friendship A History will be invaluable to students and scholars of social history

*Rethinking Catholic Theology* Egan, Harvey D., SJ, Rethinking Catholic Theology From The Mystery of Existence to the New Creation provides readers with an intelligent informed critical grasp of at least the central truths of the Catholic Christian tradition It aims to help readers to rethink more deeply these essential truths and moreover in what specific ways the understanding of the Catholic faith has changed and or remained the same since Vatican II The first part centers on Jesus Messiah and the mystery of existence It delineates how his life death resurrection as transformed physicality and ascension usher in the kingdom of God and best answer the questions Who am I Who are we Where did we come from and where are we ultimately headed What is the meaning of it all The second part focuses on how Pentecost the Trinity the Church the Scriptures the Sacraments Christian life itself Mariology the Communion of Saints and Christian mysticism shed light on the mystery of existence It demonstrates how the church flows intrinsically and naturally from the person of Jesus Christ and how the Scriptures and the sacraments likewise arise intrinsically and naturally from the church Part three stresses considers various views of afterlife mainly from the Judeo Christian tradition It raises difficult after death questions such as individual and general judgment the intermediate state the nature of the soul after death Limbo and Purgatory Finally it outlines the idea of Jesus s Second Coming and considers such concepts as Deep Incarnation and the New Creation

Reading the Christian Spiritual Classics Jamin Goggin,Kyle Strobel,2013-06-05 This new collection of essays edited by Kyle Strobel and Jamin Goggin offers an evangelical hermeneutic for reading the Christian spiritual classics Addressing the why what and how of reading these texts these essays challenge us to find our own questions deepened by the church s long history of spiritual reflection      **Uncommon Friendships** William Young,2010-01-01 Uncommon Friendships explores the often overlooked dynamic of interreligious friendships considering their significance for how we think about contemporary religious thought By exploring the dynamics of three relationships between important religious thinkers Franz Rosenzweig and Eugen Rosenstock Huessy Emmanuel Levinas and Maurice Blanchot and Julia Kristeva and Catherine Clement this study

demonstrates the ways such friendships enable innovation and transformation within religious traditions For each pair of thinkers the sustained engagement and disagreement between them becomes central to their religious and philosophical development helping them to respond effectively and creatively to issues and problems facing their communities and societies Through a rereading of their work Young shows how such friendships can help us rethink religion aesthetics education and politics as well as friendship itself      Beloved Dust Robert Hughes,2008-08-15 Beloved Dust takes a realistic and contemporary view of human being as entirely physical dust and then shows it immersed in three great tides of the Holy Spirit the traditional threefold rhythm of conversion transfiguration and glory      **Friendship in the Middle Ages and Early Modern Age** Albrecht Classen,Marilyn Sandidge,2011-03-29 Although it seems that erotic love generally was the prevailing topic in the medieval world and the Early Modern Age parallel to this the Ciceronian ideal of friendship also dominated the public discourse as this collection of essays demonstrates Following an extensive introduction the individual contributions explore the functions and the character of friendship from Late Antiquity Augustine to the 17th century They show the spectrum of variety in which this topic appeared not only in literature but also in politics and even in painting

Conformed to the Image of Christ Bryan Shuler,2025-07-08 How do we know that our spiritual experiences are authentic Christian theologians from the early church until today have consistently acknowledged the possibility of spiritual deception and a rich heritage exists on the study of spiritual discernment Throughout history scholars studying spiritual discernment have identified specific criteria by which believers can measure the authenticity of their spiritual experiences One possible criterion that has gone mostly unnoticed is the image of God In this book Bryan Shuler brings together an examination of the nature of spiritual experiences with the history of spiritual discernment criteria and recent developments on the theology of the image of God in order to show that authentic spiritual experiences will always conform to or lead believers to grow in conformity with the image of God in structural functional and relational aspects This book balances the particularities of Christ and Christian doctrine with the plurality of authentic expressions of Christian spirituality showing the variety of ways in which conformity to the image of God can manifest      **Soul Woundedness** Paul Houston Blankenship-Lai,2024-11-05 A profound exploration into the spiritual beliefs and practices of Seattle s unhoused youth Soul Woundedness is an intimate piercing book about everyday life for young adults living on the streets of Seattle Based on over five years of research and as a participant observer Paul Houston Blankenship Lai presents the personal experiences of street kids highlighting how their spiritual beliefs and practices offer them comfort a sense of community and a feeling of belonging amidst their struggles They also demonstrate how spirituality on the streets can alienate people from themselves and the world The stories Blankenship Lai tells here are about how social wounds go soul deep and how seemingly antireligious spiritual practices fashioned in an almost unlivable local world help people create a life still worth living By paying deep sustained attention to what spirituality is like on the streets and what difference it makes Blankenship Lai uncovers an important overlooked

dimension in the experience and study of homelessness They invite us to enter these stories and to question how our own spiritual and otherwise practices can help create a more loving love Aimed at a diverse audience Soul Woundedness is a book not merely to educate but to transform It is particularly relevant for those interested in spirituality s role in addressing social inequities and underscores the importance of spiritual practices in overcoming adversity and promoting social change making a compelling case for a world where everyone has a place to call home

**The Character of David in Judaism, Christianity and Islam** ,2021-11-29 King David if one of the most central figures in all of the major monotheistic traditions He generally connotes the heroic past of the more imagined than real ancient Israelite empire and is associated with messianic hopes for the future Nevertheless his richly ambivalent and fascinating literary portrayal in the Hebrew Bible is one of the most complex of all biblical characters This volume aims at taking a new critical look at the process of biblical creation and subsequent exegetical transformation of the character of David and his attributed literary composition the Psalms with particular emphasis put on the multilateral fertilization and cross cultural interchanges among Jews Christians and Muslims

New Readings of The Merchant of Venice Horacio Sierra,2013-01-14 The last decade has witnessed a spate of high profile presentations of The Merchant of Venice the 2004 Michael Radford film 2010 s New York City Shakespeare in the Park production as well as the play s Tony Award nominated 2010 11 Broadway run Likewise new scholarly works such as Kenneth Gross s Shylock is Shakespeare 2006 and Janet Adelman s Blood Relations 2008 have offered poignant insights into this play Why has this drama garnered so much attention of late What else can we learn from this contentious comedy How else can we read the drama s characters Where do studies of The Merchant of Venice go from here This collection offers readers sundry answers to these questions by showcasing a sampling of ways this culturally arresting play can be read and interpreted The strength of this monograph lies in the disparate approaches its contributors offer from a feminist view of Portia and Nerissa s friendship to psychoanalytic readings of allegories between the play and Shakespeare s Pericles to a reading of a Manga comic book version of The Merchant of Venice Each essay is supported by a strong basis in traditional close reading practices Our collection of scholars then buttresses such work with the theoretical or pedagogical frameworks that reflect their area of expertise This collection offers readers different critical lenses through which to approach the primary text Although Shakespeare scholars and graduate students will no doubt appreciate and employ the work of this collection the primary audience of this anthology is undergraduate students and the professors who work with them Many budding scholars have had the experience of checking out a monograph from the library and then finding it was a waste of time because the author spends three hundred pages discussing a perspective of which they have no interest With this collection students will not only see how multi faceted interpretations of the play can be but they also are more likely to find essays that appeal to their own research interests

**Until Our Minds Rest in Thee** John Rose,2019-11-14 Open mindedness is often celebrated in our modern world yet the habit of open mindedness remains under defined and may leave

Christians with many questions Is open mindedness a virtue What is the value of intellectual diversity and how should Christians regard it Is it a threat or an asset to the church and its tradition Drawing on sources ancient and modern from Aristotle to Augustine Aquinas and Wittgenstein this book explores these questions from the perspectives of philosophy and the Christian faith **Logical Fictions in Medieval Literature and Philosophy** Virginie Greene,2014-10-23 In the twelfth and thirteenth centuries new ways of storytelling and inventing fictions appeared in the French speaking areas of Europe This new art still influences our global culture of fiction Virginie Greene explores the relationship between fiction and the development of neo Aristotelian logic during this period through a close examination of seminal literary and philosophical texts by major medieval authors such as Anselm of Canterbury Ab lard and Chr tien de Troyes This study of Old French logical fictions encourages a broader theoretical reflection about fiction as a universal human trait and a defining element of the history of Western philosophy and literature Additional close readings of classical Greek philosophers Plato and Aristotle and modern analytic philosophy including the work of Bertrand Russell and Rudolf Carnap demonstrate peculiar traits of Western rationalism and expose its ambivalent relationship to fiction Religious Life Loan Le,2016-06-22 Following the Second Vatican Council when each Religious Institute was encouraged to research its charism some Institutes experienced a tension between their charism and their mission or even difficulty identifying what their charism was This book is a study of the theological understanding of charism and of mission in relation to Religious Life within the Catholic Church While this topic has featured in much Roman Catholic theological literature since Vatican II there appears to be a dearth of in depth studies This book addresses this apparent lacuna It draws particularly on the work of two major theologians Jean Marie Roger Tillard OP and Sandra Marie Schneiders IHM who have reflected at length on charism and mission in the period leading up to Vatican II and on the implementation of its documents with respect to Religious Life The very significant contributions of Tillard and Schneiders on the topic provide Religious as well as others who want to know and understand Religious Life with an interesting and motivating insight into charism and mission in Religious Life Within the Roman Catholic Church a Year of Consecrated Life has just drawn to a close and this book forms a background and a response to Pope Francis Apostolic Letter to all Consecrated People on the occasion of the Year of Consecrated Life November 2014 which invited Religious to reflect on these aspects that are essential to the life they have chosen to live
