Mueller,2015-07-08 A team of U S and international experts assesses the impact of various nations airpower efforts during the 2011 conflict in Libya including NATO allies and non NATO partners and how their experiences offer guidance for future conflicts In addition to the roles played by the United States Britain and France it examines the efforts of Italy Canada Belgium Denmark the Netherlands Norway Sweden Qatar the UAE and the Libyan rebels Women and the Jet Age Phil Tiemeyer,2025-07-15 *Women and the Jet Age* is a global history of postwar aviation that examines how states nurtured airlines for competing political and economic goals during the Cold War While previous histories almost exclusively stress US and Western European aviation progress Phil Tiemeyer examines how smaller poorer states in socialist Eastern Europe and in the postcolonial Global South utilized airlines of their own to forge rival pathways to modernization Part of this modernization involved norms for working women Stewardesses at airlines around the globe encountered novel threats to their dignity as the Jet Age approached By the late 1960s stewardesses endured harsh objectification High hemlines tight uniforms and raunchy marketing were touted as modern and liberated These women whether from the West East or South forged their own pathways to achieve greater dignity at work In *Women and the Jet Age* Tiemeyer s global account of the rise of air travel and of early feminist strivings among stewardesses is one of the first histories to place such developments political economic and feminist in dialogue with each other *The Military Revolution and the Trajectory of Spain: War, State and Society 1500-1700* I.A.A. Thompson,2020-12-21 I A A Thompson Emeritus Fellow of the Royal Historical Society is the author of *War and Government in Habsburg Spain* a seminal study of the impact of war on the development of the state in Spain in the 16th and 17th centuries In this volume he reprints for an English readership ten essays examining the implications for government

the financial system and Spain's position in Europe of the fundamental changes in the art and practice of war both on land and at sea that took place during this period This Military Revolution has been one of the most contentious debates among historians for the last fifty years but little attention has so far been paid to Spain itself despite her predominance in Europe for much of the period These essays are designed to correct that omission and to assist in a fuller understanding both of the Military Revolution and of the strengths and weaknesses of the Spanish state

Department of Defense Appropriations for 1994 United States. Congress. House. Committee on Appropriations. Subcommittee on Department of Defense, 1993

Africa Special Report, 1993 The State of Food and Agriculture, 2006 Food and Agriculture Organization, Food and Agriculture Organization of the United Nations, 2006-01-01 International food aid has rightly been credited with saving millions of lives and is often the only thing that stands between vulnerable people and death However it was a serious obstacle in the Doha Round of multilateral trade negotiations and has been sharply criticised as a donor driven response that creates dependency on the part of recipients and undermines local agricultural producers and traders upon whom sustainable food security depends This issue of the State of Food and Agriculture report examines the issues and controversies surrounding international food aid particularly in crisis situations It considers the ways in which food aid can support sustainable improvements in food security in order to preserve its essential humanitarian role whilst minimising the possibility of harmful secondary impacts
