universal or more advanced in some democracies than others and seeks to explain why this might be Intimate Politics will be of great value for students and scholars of communication and media studies and political science and is required reading for anyone who wants a fuller understanding of the transformation of mediated politics in advanced industrial democracies

The Caning of Charles Sumner William James Hull Hoffer, 2010-05-03 A signal violent event in the history of the United States Congress the caning of Charles Sumner on the Senate floor embodied the complex North South cultural divide of the mid nineteenth century William James Hull Hoffer's vivid account of the brutal act demonstrates just how far the sections had drifted apart and explains why the coming war was so difficult to avoid Sumner a noted abolitionist and gifted speaker was seated at his Senate desk on May 22 1856 when Democratic Congressman Preston S Brooks approached pulled out a gutta percha walking stick and struck him on the head Brooks continued to beat the stunned Sumner forcing him to the ground and repeatedly striking him even as the cane shattered He then pursued the bloodied staggering Republican senator up the Senate aisle until Sumner collapsed at the feet of Congressman Edwin B Morgan Colleagues of the two intervened only after Brooks appeared intent on beating the unconscious Sumner severely and perhaps to death Sumner's crime Speaking passionately about the evils of slavery which dishonored both the South and Brooks's relative Senator Andrew P Butler Celebrated in the South for the act Brooks was fined only three hundred dollars dying a year later of a throat infection Sumner recovered and served out a distinguished Senate career until his death in 1873 Hoffer's narrative recounts the caning and its aftermath explores the depths of the differences between free and slave states in 1856 and explains the workings of the Southern honor culture as opposed to Yankee idealism Hoffer helps us understand why Brooks would take such great offense at a political speech and why he chose a cane instead of dueling with pistols or swords to meet his obligation under the South's prevailing code of honor He discusses why the courts meted out a comparatively light sentence He addresses the importance of the event in the national crisis and shows why such actions are not quite as alien to today's politics as they might at first seem
