Local Police to Enforce Federal Immigration Law Michael John Garcia, 2011 This is a print on demand edition of a hard

to find publication The power to prescribe rules as to which aliens may enter the U S and which aliens may be removed resides solely with the federal government and in particular with Congress Deportation and associated administrative

processes related to the removal of aliens are civil in nature while certain violations of federal immigration law such as smuggling unauthorized aliens into the country carry criminal penalties The ability of state and local police to make arrests
