Edwards, 1866 **What eight million women want** Rheta Childe Dorr, 2022-07-31 Rheta Childe Dorr's *What Eight Million Women Want* is a seminal exploration into the burgeoning feminist consciousness in the early 20th century. Crafted with the gravitas of an investigative piece coupled with eloquent prose, Dorr's work dissects the political, social and economic desires of women who were at the time clamoring for recognition and equality. Within the literary context of feminist thought and reform literature, Dorr's book stands as an influential testament to the women's suffrage movement and the broader campaign for women's rights. Its literary style is both assertive and enlightening, shedding light on the aspirations and struggles of a demographic poised to initiate progressive changes in society. Rheta Childe Dorr is not just any author; she is a pioneer whose own experiences as a journalist, suffragette and social reformer infuse this work with authenticity and urgency. The climate of the period, marked by societal change and the fight for suffrage, undoubtedly shaped her narrative, leading her to channel the collective voices of millions of women into a singular, powerful chorus demanding change. Through her pen, the ethos of an era is vividly captured, turning *What Eight Million Women Want* into a documentary account of historic significance. The book comes highly recommended for students of history, gender studies and political science, as well as general readers intrigued by the dynamics of social reform. It serves as both an informative and inspiring read, offering a window into the lives and ambitions of women at a pivotal moment in history. *What Eight Million Women Want* is not only a reflection of a movement but a clarion call that continues to resonate in the ongoing discourse on gender equality and women's rights. *Million Wings* Dr. Surinder Kansala, 2016-01-08 It is not another book on global idealism; only rather, it is a visionary book of realistic global balance of human hearts and minds to expand human happiness.
