La Charrette:

La Charrette Lowell M. Schake, 2006-01-11 La Charrette provides a first ever historical look at America's westernmost frontier settlement which over a mere thirty year existence managed to leave behind a rich vibrant legacy that is firmly rooted in local state and national history Located sixty miles beyond St Louis on the banks of the Missouri River La Charrette Village began as an eighteenth century French fur trading outpost The citizens of La Charrette one of America's earliest melting pot communities of Native Americans African descendants and French Spanish and German immigrants played a vital role in shaping the American West Its people were the first to be granted Indian trade rights and to map the Santa Fe Trail and La Charrette was the last outpost of civilization along the monumental trek toward westward expansion A virtual Who's Who of the American frontier La Charrette documents the life and times of the families who lived in this influential riverbank village It also chronicles many legendary heroes who passed through including Lewis and Clark Daniel Boone Captain Pike Indian Phillips John Colter Flanders Callaway Syndic Chartran and others who helped to shape history and forever change the face of our nation Schake's book documents the intimate life and history of a village that helped serve as a launching point into the territory and its role in American frontier life Brad Urban St Louis Post Dispatch Suburban Journals

Les Manuscrits de Chrétien de Troyes Keith Busby, 1993 **The Complete Romances of Chrétien de Troyes** David Staines, 1991-01-22 Eminently readable a translator who understands the spirit as well as the letter of the original and renders it with style Speculum This new translation brings to life for a new generation of readers the stories of King Arthur Lancelot Guinevere Gawain Perceval Yvain and the other knights and ladies of Chrétien de Troyes famous chivalric romances A pleasure to read Library Journal These are above all stories of courtly love and of knights tested in their devotion to chivalric ideals but they are also thrilling wonder stories of giants wild men tame lions razor sharp bridges and visits to the Other World Washington Post Book World This tastefully produced book will be the standard general translation for many years to come Choice Chrétien is where the literary tradition of the Arthurian romance can be seen to begin His poems are the earliest we have that portray knights errant questing through dangerous forests to challenge unknown opponents and to learn the meaning of love Times Literary Supplement , Francophone Post-colonial Cultures Kamal Salhi, 2003-01-01 A collection of discussions of literary texts from areas as diverse as Europe and North Africa the Caribbean and South Asia regions of the world that seem to have only their language in common But despite enormous differences among all the countries where French is spoken Francophone literatures tend to deal with a similar spread of issues This volume positions the study of the Francophone world and its cultures as a comparative project in which post colonial Francophone cultures and the specific alterity of these cultures emerge as inextricable from and essential to an understanding of modern France The volume is organized by region with an international roster of contributions and includes summaries of selected creative and critical works and a guide to selected terms and figures *Lovely Violence* Jørgen Bruhn, 2010-09-13 In *Lovely Violence*

Chr tien de Troyes Critical Romances J rgen Bruhn rereads the well known but still intriguing chivalric novels of the medieval French author Chr tien de Troyes from the second half of the twelfth century probably in northern France J rgen Bruhn who is trained in modern comparative literature and literary theory engages in a meeting with the medieval texts where the strange medieval contexts and texts are played up against more familiar contemporary concerns around textuality gender and in particular the vexed question of violence After an introduction and an attempt to construct a useful context around the texts of Chr tien de Troyes Bruhn discusses the five chivalric novels which are normally known under the names of the more or less heroic heroes Erec Clig s Yvain Lancelot and Perceval The medieval characters turn out to behave in ways that are both shockingly strange and medieval and at the same time resassuringly recognisable The Middle Ages may not be so unmodern after all

Lancelot and Guinevere Lori J. Walters, 2015-12-03 Beginning with an introduction that examines the portrayal of the characters of Lancelot and Guinevere from their origins to the present day this collection of 16 essays five of which appear here for the first time puts particular emphasis on the appearance of the two characters in medieval and modern literature Besides several studies exploring feminist concerns the volume features articles on the representation of the lovers in medieval manuscript illuminations 18 plates focus on scenes of their first kiss and the consummation of the adultery in film and in other visual arts A 200 item bibliography completes the volume

Le Morte Darthur Sir Thomas Malory, 1891 *Patrons, Authors and Workshops* Godfried Croenen, Peter F. Ainsworth, 2006 *Patrons Authors and Workshops* invokes a cross disciplinary approach to the study of late medieval books and book production in Paris from the troubled years of the early fifteenth century onwards It shows the extent to which such activity was able to flourish even against the backdrop of the endemic struggle between Burgundians and Armagnacs or the subsequent English invasion which led to Agincourt and the regency of Bedford Extensive coverage is given to the key role played by the libraire to the author as scribe or copyist Christine de Pisan Jean Leb gue and also to the development of commercial production under figures such as Jean Trepperel A section on bibliophiles and their various commissions leads into a group of essays that focus on particular texts and authors whilst a further section concentrates on what we can discover about the role of the scribe The volume concludes with four essays offering insights into the work of particular artists and illuminators The authors include scholars from the UK France Greece Germany Italy Belgium the Netherlands and the USA Godfried Croenen is Lecturer in French at the University of Liverpool Peter Ainsworth is Professor of French at the University of Sheffield
