Alexander Hamilton A Life:

Alexander Hamilton Willard Sterne Randall, 2003 **Alexander Hamilton** Hourly History, 2016-12-18 Alexander Hamilton did not rise to public prominence as an austere New Englander or a gentlemanly Virginian. He was not born in the colonies at all. He was born in the West Indies the son of a woman of French descent who had left her husband for another man. As an illegitimate child, Hamilton could not be educated in the local church school, so businessmen impressed by his remarkable intelligence sent him to America for his schooling. The American Revolution would interrupt his vacation but accelerate his promotion to the national stage from his service as George Washington's aide de camp to his position as the new nation's first Secretary of the Treasury. Hamilton understood money and knew that for the nation to thrive it had to become financially strong, a stance which brought him into contention with other Founding Fathers who distrusted his enthusiasm for a strong central government. Inside you will read about Hamilton Rises, The Patriotic Prodigy, Hamilton the Politician and Puller of Strings, Washington's Man at the Treasury, The Reynolds Affair, Back to New York, Hamilton and Burr, The Final Chapter. His extramarital affair with a married woman brought his public career to a conclusion but he continued to involve himself in political intrigue. It was his role in a contested election that brought him to a duel with Aaron Burr, the shadowy character in American history. Scandal and death cannot overpower the mighty role he played in building the United States of America. The Life and Times of Alexander Hamilton ... Christopher James Riethmüller, 1864 **The Life of Alexander Hamilton, Vol. 1 of 2 (Classic Reprint)** John T. Morse, 2017-09-17 Excerpt from The Life of Alexander Hamilton Vol 1 of 2. It is now many years ago that I first conceived the purpose of writing a Life of Alexander Hamilton. The undertaking was repeatedly postponed with the intention of awaiting some period of leisure but as from year to year the prospect of that period seemed to recede rather than to approach I at last despaired of its ever arriving and some four years ago entered upon my task without farther delay and have since prosecuted it in such intervals as I could snatch from professional occupation. Doubtless the work could have been much better done by some student of American history who could have devoted his unbroken days to the topic and made it the sole object of his reading and reflection. But as none such has appeared in nearly three quarters of a century I have ventured to make my effort. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. The Intimate Life of Alexander Hamilton Allan McLane Hamilton, 2017-09-09 Excerpt from *The Intimate Life of Alexander Hamilton* Based Chiefly Upon Original Family Letters and Other Documents Many of Which Have Never Been Published The purpose of the writer is to utilize a large number of original letters and documents written by Alexander Hamilton and various members of his family as well as his contemporaries and which in some measure throw light upon his private life and career as a soldier lawyer and statesman Most of these have never been published and were left to me by my father the late Philip Hamilton who was his youngest son I have no more ambitious purpose than to produce a simple narrative for there are several important works that fully and formally describe his public services The latest of these is Oliver's excellent book which is a noble monument to the memory of Hamilton If I have gone into detail very minutely it is because Of the belief that the familiar side of his life will be of interest to a great many people who have hitherto been furnished only with unauthentic generalities About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Life of Alexander Hamilton John T. Morse, 1882

[Alexander Hamilton: Founding Father](#)- Mark Steinberg, 2016-01-27 Alexander Hamilton Founding Father is the story of one of America's great founding fathers Alexander Hamilton The book is a detailed account of this very important but controversial figure in American history The story is a classic rags to riches one and begins with his childhood in the British West Indies Though his life is filled with tragedy and he is very poor Hamilton manages to distinguish himself through his writing and his business skills Eventually he leaves the West Indies and immigrates to North America where he receives a first rate education Later he becomes a hero in the Revolutionary War and is appointed to be General George Washington's right hand man Because of his service to Washington Hamilton becomes the Secretary of the Treasury when Washington is elected President As a member of the new government Hamilton makes significant contributions including setting up a banking system and a currency system which are still used today He also plays a major role in the ratification of the United States Constitution While Alexander Hamilton Founding Father primarily focuses on Hamilton's great contributions it also presents his dark side Though Hamilton married a wealthy woman and became a member of the aristocracy he was also involved in a scandalous affair and ultimately died in a duel defending his honor

The Intimate Life of Alexander Hamilton Allan McLane Hamilton, 2016-11-08 The life of Alexander Hamilton is certainly one of great complexity and controversy and as a result has been of great interest to the general public for centuries In the past two hundred years there have been many accounts of Hamilton's life mostly

commenting on his political personality rather than his character but none have touched upon the private life of the man quite like *The Intimate Life of Alexander Hamilton* Drawn chiefly from collected original family letters and documents some never published before this book's initial publication in 1910 Hamilton's grandson Allan McLane Hamilton presents a portrait of one of America's chief founding fathers unlike any other recounting the life of his grandfather with an unmatched insider's eye The author intimately discusses his grandfather's private affairs in great detail dispelling many rumors about Hamilton's personal life The book presents an astounding portrait of the man and his character revealing a softness and charisma unknown to the public at the time of its publication From primary sources so close to Hamilton they could very well be called heirlooms Hamilton's private life and personality are described with a closeness only a member of his family could possibly provide Return to this forgotten classic and see what one of America's most controversial historical figures was like behind closed doors in *The Intimate Life of Alexander Hamilton* **A Century of Strength in 25 Years** Alexander Hamilton

Life, 1989 **Alexander Hamilton** Allan McLane Hamilton, 2023-11-17 In *Alexander Hamilton* Allan McLane Hamilton offers a compelling and meticulously researched biography that delves into the multifaceted life of one of America's founding fathers The narrative is enriched with vivid descriptions, personal anecdotes, and critical analyses that illuminate Hamilton's complex character and indelible influence on American politics and finance Written in a lyrical style Hamilton's life story unfolds against the backdrop of the Revolutionary War and the early years of the United States, engaging readers with both historical depth and human interest This book stands as a significant contribution to the canon of American historical literature, situating Hamilton's ideas within the larger discourse of liberty, governance, and economic strategy of the late 18th century Allan McLane Hamilton, a direct descendant of the Founding Father, brings a unique perspective to the narrative, infusing the text with personal insights that stem from his familial ties and scholarly pursuits His background in medicine and his keen interest in American history lend authenticity and depth to the portrayal of Hamilton's visionary ideas and enduring legacy, reflecting the complexity of his contributions and the controversies surrounding him For readers intrigued by the intricacies of American history, *Alexander Hamilton* is a must-read This biography not only enriches one's understanding of Hamilton himself but also offers a broader perspective on the formative years of the United States and its foundational ideals With its engaging writing and comprehensive research, it appeals to history enthusiasts and general readers alike, inviting them to explore the rich tapestry of early American governance **Alexander Hamilton** James Buckley (Jr.), 2019 *Life of Alexander Hamilton.
