Bringing Back the Child Lisa J. Brown,Peter E. Jones,2014-10-21 This book presents a unique multi faceted investigation of the language abilities of three older adopted Romanian orphans who experienced extreme deprivation in their early years Serena Gabrielle and Ingrid were aged 7 years 6 years and nearly 4 years respectively when rescued by UK families from the orphanages where they were placed at or around their birth In these institutions an absence of social and psychological stimulation nutritious food and physical exercise had left them completely dependent on care staff for their most basic needs and effectively without language The book presents the findings of a two year research study of the competencies in language nonverbal cognition and social and communicative behaviour which the girls acquired over several years in their new homes and discusses the implications of their linguistic progress for the Critical Period Hypothesis and modularity Detailed qualitative analysis of the girls language in everyday conversation is combined with quantitative analysis of developmental progress and structural complexity and with the results of standardized tests The authors argue that the girls progress in language defies the predictions of current Critical Period models and offers no evidence of modular dissociations between language and other cognitive domains These findings are

considered in relation to other research on language development in internationally adopted children *Alex Dogboy* Monica Zak, 2024 *Gypsy Escape* Bobbie Altschul, 2009-07 Beth and Alex Frey both leave their jobs in Michigan on a sabbatical to travel around the United States for an undetermined time They try to pretend that they left their jobs for the fun of adventure but the underlying reason was that Beth had been stalked by a mad man and Alex wanted to get her away from the threat Leaving their jobs and family behind does not eliminate their problems or fears The stalker seems to be following them on their travels How does he know where they are Why does he think he has to pursue his harassment of Beth now that she is no longer involved with his case Each time the couple thinks the past is behind them and they get involved in their travels something happens to shake their peace of mind As if they didn't have enough to worry about their best friends Joyce and Kevin seem to be bringing their own problems into the Frey's life There is also an underlying secret that Alex and Joyce share that could rock the foundation of his and Beth's relationship The threats start escalating and where there were just innuendoes before now the threats are getting physical and deadly Putting the pieces together it finally dawns on Alex that the stalker is not who they were so sure it was By the time he figures this out he knows that Beth is alone in a remote place with the stalker who he now knows intends to be a killer Can he get to her in time **Brave Face** Shaun David Hutchinson, 2020-06-16 P rofound a triumph a full throated howl to the moon to remind us why we choose to survive and thrive Brendan Kiely New York Times bestselling author of Tradition Razor sharp deeply revealing and brutally honest emotionally raw and deeply insightful Booklist starred review The critically acclaimed author of We Are the Ants opens up about what led to an attempted suicide in his teens and his path back from the experience I wasn't depressed because I was gay I was depressed and gay Shaun David Hutchinson was nineteen Confused Struggling to find the vocabulary to understand and accept who he was and how he fit into a community in which he couldn't see himself The voice of depression told him that he would never be loved or wanted while powerful and hurtful messages from society told him that being gay meant love and happiness weren't for him A million moments large and small over the years all came together to convince Shaun that he couldn't keep going that he had no future And so he followed through on trying to make that a reality Thankfully Shaun survived and over time came to embrace how grateful he is and how to find self acceptance In this courageous and deeply honest memoir Shaun takes readers through the journey of what brought him to the edge and what has helped him truly believe that it does get better **Thanks for Listening** Ernest Buckler, 2011-04-07 A treasure chest of exceptional stories by one of Canada's classic authors all now available in one volume Ernest Buckler best known as the author of the Canadian classic The Mountain and the Valley never achieved the lasting fame he deserved His first story was published in Esquire a significant American literary magazine known for publishing leading writers such as Ernest Hemingway F Scott Fitzgerald and Sinclair Lewis Over the years nearly forty more of Buckler's short stories were published in several popular magazines including Maclean's where his story The Quarrel won first prize for fiction In Thanks for

Listening Stories and Short Fictions by Ernest Buckler Marta Dvo k gathers together many of those stories as well as some previously unpublished pieces At times she has chosen to include the fuller original versions and has reinstated some of the lost passages that were cut from stories to fit popular magazine requirements Ernest Buckler s writing is rooted in the magic of the ordinary He celebrates the land and its community and sensuously recreates a paradise almost a Garden of Eden Buckler s American editors were right in believing that no one evoked the lost world of North America s agrarian past better than Ernest Buckler

The Maricopa County Shifters - Books 1-3 Simone Beaudelaire, 2024-01-08 Simone Beaudelaire s Maricopa County Shifters complete series now available in one volume Second Skin Elisa Monroe wants to leave her cruel manipulative husband but doesn t know how With support from her colleagues Elisa begins the process of breaking free but Alex is not willing to let her go Can Elisa escape with her life or will what lies beneath the second skin devour her alive Fanning The Flame A year has passed and Elisa s healing has been nothing short of miraculous but her spirit remains troubled After running into her old friend Luke she longs to explore the passion lurking in their connection but trust is a struggle What she doesn t know is that Luke holds secrets of his own secrets that just might answer her every question and threaten her life in new and terrifying ways Rising from Ashes The return on an old enemy leaves Elisa no choice but to petition for entry into the Phoenix shifter community and ask for their protection putting her on a collision course with the militant shifters she fears Now along Luke and friends she must take on a community in turmoil

NOTE This paranormal shifter romance series contains graphic sex references to abuse and violence and other adult content It is not suitable for readers under the age of 18

The Mystery of the Real Jeffrey Meyers, 2016-06-14 The work of Alex Colville O C 1920 2013 one of the great modern realist painters combines the Flemish detail of Andrew Wyeth the eerie foreboding of George Tooker and the anguished confrontations of Lucian Freud Behind the North Americans stands their common master Edward Hopper Colville s works are in many museums in Canada and Germany He has affinities with Max Beckmann and appeals to the German secondary virtues cleanliness punctuality love of order In a long life he resolutely opposed the fashionable currents of abstract and expressionistic art In contrast to Jackson Pollock s wild action painting Colville created paintings of contemplation and reflection As Jeffrey Meyers writes I spent several days with Colville on each of three visits from California to Wolfville I received seventy letters from him between August 1998 and April 2010 and kept thirty six of my letters to him He sent me photographs and slides of his work and in his eighties discussed the progress and meaning of the paintings he completed during the last decade of his life His handwritten letters precisely explaining his thoughts and feelings provide a rare and enlightening opportunity to compare my insights and interpretations with his own intentions and ideas He also discussed his family health sexuality politics reading travels literary interests our mutual friend Iris Murdoch response to my writing his work exhibitions sales of his pictures and of course the meaning of his art His letters reveal the challenges he faced during aging and illness and his determination to keep painting as health difficulties mounted He stopped writing to me

when he became seriously ill two years before his death In this context the late paintings presented in colour in this book take on a new poignancy **Alex Colville** Marlborough Fine Art Ltd,Alex Colville,1970 *The Arts in Canada* William J. Keith,Ben-Z. Shek,1980-12-15 In this volume a baker s dozen of creative Canadians make personal responses to the state of the arts in Canada Northrop Frye and Guy Rocher write on general cultural trends Hugh MacLennan and Gerard Bessette on fiction Ralph Gustafson and Mich le Lalonde on poetry Robertson Davies and Gratien G linas on drama George Woodcock and Jacques Allard on non fiction prose Godfrey Ridout on music and Aba Bayefsky and Humphrey N Milnes on art The essays were written to mark the fiftieth anniversary of the University of Toronto Quarterly The contributors were invited to discuss the changes problems challenges and achievements in the arts in the last fifty years Since all the authors had personal experience of at least a large section of the period surveyed the editors welcomed personal reminiscence as well as description and assessment The result is a varied group of essays in each of which the character of the individual artist is clearly evident together they provide a complex many faceted lively and living discussion of the cultural development of Canada This anniversary collection of essays is a valuable and provocative source for courses in Canadian studies and for anyone interested in the development of the arts and humanities in Canada **Alex Colville, Paintings** Alex Colville,1963
