family company in the Finger Lakes became one of the most important wine producers in the United States only to be taken down by corporate greed and mismanagement In 1880 Walter Stephen Taylor a cooper s son started a commercial grape juice company in New York s Finger Lakes region Two years later wine production was added and by the 1920s the Taylor Wine Company was firmly established Walter Taylor s three sons carefully guided the company through Prohibition and beyond making it the most important winery in the Northeast and profoundly affecting the people and community of Hammondsport where the company was headquartered In the 1960s the Taylor family took the company public Ranked sixth in domestic wine production and ripe for corporate takeover the company was sold to Coca Cola in 1977 Three more changes of corporate ownership followed until in 1995 this once dynamic and important wine producer was obliterated tearing apart the local economy and changing a way of life that had lasted for nearly a century Drawing on archival research as well as interviews with many of the principal players Thomas Pellechia skillfully traces the economic dynamism of the Finger Lakes wine region the passion and ingenuity of the Taylor family and the shortsighted corporate takeover scenario that took down a once proud American family company In addition to providing important lessons for business innovators Over a Barrel is a cautionary tale for a wine region that is repeating its formative history Over a Barrel offers various cautionary lessons that can be applied to all too many businesses The Taylor paterfamilias began making wine from grapes in the Finger Lakes region and his three sons improved it But when the world of wine consumption changed the Taylors didn t and they eventually sold out Subsequent corporate owners gradually destroyed the wine and the farmers who grew the grapes Only the black sheep grandson stayed true to the family code ranting from his perch on Bully Hill Mark Pendergrast author of For God Country and Coca Cola The Definitive History of the Great American Soft Drink and the Company That Makes It Third Edition Revised and Expanded A Sense of Place Steven Kolpan,2013-02-01 In A Sense of Place renowned wine expert and writer Steven Kolpan tells the story of how Francis Ford Coppola brought California s most distinguished and historic vineyard back to life Gustave Niebaum s Inglenook Estate started in 1879 was one of the Napa Valley s first established vineyards and the birthplace of its premium wine industry Generations after Niebaum s death the vineyard was sold to Heublein the wine and spirits monolith who broke up the land and changed the Inglenook brand from a premium connoisseur wine to a mass market jug wine In 1975 Francis Coppola bought the Niebaum residence and the surrounding estate Along with the original estate s reputation he also brought back some of its original workers including Rafael Rodriquez who in h is late seventies now serves as the vineyard manager and historian Coppola overcame naysayers red tape and financial turmoil to reestablish the winery as a defender of quality producing wine under four different labels including the revered wine Rubicon In 1995 Coppola purchased the Inglenook Chateau and its adjacent vineyards fulfilling his dream of reuniting the original Napa Valley estate Kolpan s luscious flavorful narrative is worth enjoying now and keeping for later **Select Wine Bibliographies - 2nd Edition** Warren R.
