Blood Done Sign My Name 04 By Tyson Timothy B Paperback 2005:

Who Is an Evangelical? Thomas S. Kidd, 2019-09-24 A leading historian of evangelicalism offers a concise history of evangelicals and how they became who they are today Evangelicalism is arguably America's most controversial religious movement Nonevangelical people who follow the news may have a variety of impressions about what evangelical means But one certain association they make with evangelicals is white Republicans Many may recall that 81 percent of self-described white evangelicals voted for Donald Trump and they may well wonder at the seeming hypocrisy of doing so In this illuminating book Thomas Kidd draws on his expertise in American religious history to retrace the arc of this spiritual movement illustrating just how historically peculiar that political and ethnic definition white Republican of evangelicals is He examines distortions in the public understanding of evangelicals and shows how a group of Republican insider evangelicals aided the politicization of the movement This book will be a must read for those trying to better understand the shifting religious and political landscape of America today
