## **Bloom Where You're Planted Stories Of Women In Church Planting:**

**Bloom Where You're Planted, Volume II** Anne Milam, 2014-04-14 Bloom Where You're Planted Volume II is more like a bunch of girlfriends at a sleepover sharing their stories of what Christ has done in and through their decisions to plant a church. It is testimony after testimony that God can and does still work through broken, scared, self-conscious yet willing people. It's meant to encourage and remind you: You are not alone. All across the country, women just like you are making the decision to lay it down for Christ each and every day while balancing family, marriage, work, and church. Here you will find a call to arms of sorts, a reminder of the Great Commission of Jesus challenged in each of our hearts. These are the stories of women currently in the trenches of church planting who not so long ago stood at the precipice of faith and dared to let go of everything they held dear and secure to free fall in faith. *Bloom Where You're Planted* Anne Milam, 2013-04-06 Bloom Where You're Planted is about God's glory revealed in women who answer that call in a uniquely fearsome way. It is about pastor's wives more specifically; it is the story of leaders who step out in faith and leaving everything solid and secure behind them, partner with their husbands in planting new churches. Blooming where you are planted is one of the most difficult things any woman can do. Being uprooted from all you hold dear can take its toll. But if you are blooming, you are thriving. You are beautiful to behold wherever you have been planted. If you have been called on this difficult journey, remember above all else you are not alone. And I don't just mean that Jesus is with you always. I mean there are women today doing what you are doing and thriving. Never forget that a great cloud of witnesses has gone before you over the ages. Women who have bloomed on the mission field in the New World, on the prairie, out West, across the seas, in Rome. We are the lucky ones; we live in a time when communication and encouragement between other women walking this same journey is easy. This book is about the journey of a church planting wife, a pastor's wife, a woman who chooses to bring beauty and peace to those around her by blooming recklessly where God has planted her. **Bloom Where You're Planted, III** Anne Milam, 2015-09-01 Compiled here in Bloom Where You're Planted Volume III are the resplendent soul stories of the stunning women who are pouring their lives out for Christ each day all across our country in one of the most difficult and yet rewarding ministry fields: church planting. Their willingness to be vulnerable and open about hurts, frustrations, confusions, and joys is what makes each story exquisite. **Bloom Where You're Planted, III** Anne Milam, 2015-09-01 Compiled here in Bloom Where You're Planted Volume III are the resplendent soul stories of the stunning women who are pouring their lives out for Christ each day all across our country in one of the most difficult and yet rewarding ministry fields: church planting. Maura,2019-11-06 We all know the story of how Adam and Eve ate the apple and sin was introduced God promised us that He was going to create a new place for us But this place between the gardens can be hard Life hasn t gone the way I thought it would I ve always been a woman of faith so why has all this happened The struggle we face from that apple is real I was a child raised in faith who strayed and made bad decisions I

entered into a marriage with a man I loved so much that quickly turned into a very physically abusive relationship that spiraled into every mother's nightmare I wish I could say that was it but it's not This man whom I loved so much and who turned into someone I couldn't recognize committed suicide which left me full of guilt and fearful to raise our three children alone The hits kept coming as I continued to get knocked down now raising teenagers I'm a single mother of three I work like Martha and pray like Mary Life knocks me down over and over The Bible says that the righteous fall seven times but I've been down more than that Each time I fell God has helped me back up and when I couldn't get back up He stood up for me Why why do I have to go through this If I look at the plants in the gardens that have been grown and pruned I see the Lord too has been planting pruning and harvesting my life to bloom me into purpose So many times I have felt alone and ashamed If you feel that way or have been through heartbreaking moments and just wonder if you really are a child of God I'm here to tell you that you are You are not alone You are saved And even when bad things happen God can turn them into good This is my story and it's raw and emotional It's my story of storms planting pruning droughts and transplanting that is blooming us into a new creation for His glory I pray that sharing my tragedy and how God grew me and helped me bloom and heal will bring you comfort in your space between the gardens

Sanctuary Ardis Dick Stenbakken, 2009 In the pages of this book women have bared their souls They have revealed how they try every day to follow the pattern that God has given for their lives They share how God has shown His presence in their homes their families and their lives Things have not always gone perfectly for these women but each has found sanctuary in the arms and love of her mighty God the God who is also her Savior
