the rest of the nineteenth century there was no star that shone brighter than that of a small red horse who was known as Stonewall Jackson's Little Sorrel Robert E Lee's Traveller eventually became more familiar but he was mostly famous for his looks Not so with the little sorrel Early in the war he became known as a horse of great personality and charm an eccentric animal with an intriguing background Like Traveller his enduring fame was due initially to the prominence of his owner and the uncanny similarities between the two of them The little red horse long survived Jackson and developed a following of his own In fact he lived longer than almost all horses who survived the Civil War as well as many thousands of human veterans His death in 1886 drew attention worthy of a deceased general his mounted remains have been admired by hundreds of thousands of people since 1887 and the final burial of his bones after a cross country multi century odyssey in 1997 was the occasion for an event that could only be described as a funeral and a well attended one at that Stonewall Jackson's Little Sorrel is the story of that horse      **Battle of Antietam** Ted Alexander,2015-08-17 The heavy fog that shrouded Antietam
