Beyond Life J.A. and B.J. Diller, 2019-01-23 Written after the death of her son Charlie, *Beyond Life* is a fantasy paranormal book by J.A. Diller. The book delves deeply into a number of serious issues that both families and young people must deal with in our society. *Beyond Life* was written primarily to inspire parents and to give them real hope that there is life after losing a child. Many other issues that affect young people are addressed and dealt with in ways that are both non-threatening and highly entertaining. These include Depression, Self-image, Bias, Bullying.
