of heart failure at the age of 52 on New Year's Day 1997. He released sixteen albums during life and since his death numerous albums both by and in honor of him have been released and many critical articles published in addition to several books including Robert Hardy's *A Deeper Blue* by UNT Press. Van Zandt once an underappreciated and self-destructive wandering troubadour is now a critic's and fan favorite. His best-known songs are *Pancho* and *Lefty* covered by Waylon Jennings and Willie Nelson and *If I Needed You*. Steve Earle's 2009 Townes album of covers jumpstarted a slate of more recent tributes including those by Robert Earl Keen, Lucinda Williams and John Prine. *For the Sake of the Song* collects ten essays on Townes Van Zandt from a variety of approaches. For example, contributors examine his legacy, his use of the minor key, psychological interpretation of *High Low* and *In Between*, his reception in the Austin music scene and an exploration of his relationship with Richard Dobson, a so-called outlaw songwriter with whom he toured as part of the Hemmer Ridge Mountain Boys. An introduction by editors Ann Norton Holbrook and Dan Beller McKenna provides an overview of Van Zandt's literary excellence and philosophical wisdom rare among even the best songwriters.

The Alcalde, 1994-05. As the magazine of the Texas Exes, *The Alcalde* has united alumni and friends of The University of Texas at Austin for nearly 100 years. *The Alcalde* serves as an intellectual crossroads where UT's luminaries—artists, engineers, executives, musicians, attorneys, journalists, lawmakers and professors—among them meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for mayor or chief magistrate; the nickname of the governor who signed UT into existence was The Old Alcalde.
