Walk with Me Kate Clifford Larson, 2021 Few figures embody the physical courage unstinting sacrifice and inspired heroism behind the Civil Rights movement more than Fannie Lou Hamer For millions hers was the voice that made This Little Light of Mine an anthem Her impassioned rhetoric electrified audiences At the Democratic Convention in 1964 Hamer's televised speech took not just Democrats but the entire nation to task for abetting racial injustice searing the conscience of everyone who heard it Born in the Mississippi Delta in 1917 Hamer was the 20th child of Black sharecroppers and raised in a world in which racism poverty and injustice permeated the cotton fields As the Civil Rights Movement began to emerge during the 1950s she was struggling to make a living with her husband on lands that her forebears had cleared ploughed and harvested for generations When a white doctor sterilized her without her permission in 1961 Hamer took her destiny into her own hands Bestselling biographer Kate Clifford Larson offers the first account of Hamer's life for a general audience capturing and illuminating what made Hamer the electrifying force that she became when she walked onto stages across the country during the 1960s and until her death in 1977 Walk with Me does justice to the full force of Hamer's activism and example Based on new sources including recently opened FBI files and Oval Office transcripts the biography features interviews with some of the people closest to Hamer and conversations with Civil Rights leaders who fought alongside her Larson's biography will become the standard account of an extraordinary life
