**Block Party 2** Al-Saadiq Banks, 2006-03-01 Teenagers Ahmir and Ahmad Pierson are the offspring of Newark's infamous ghetto legend Donald Cashmere Pierson. Ghetto fame and admiration have been a part of their lives for as far back as they both can remember thanks to Cashmere's addiction to the fast life and the love for his two sons have always conflicted but the love his sons have for him has always been unconditional. Nothing in the world means more to them than their father whom they've always held on a pedestal. Ahmir and Ahmad's lives change drastically after they both witness a horrifying act that they'll never forget. The old cliché is true for every action there is an opposite but equal reaction. What becomes of two traumatized teens whose hearts are filled with vengeance? What does their future hold for them? Or do they even have a future? *XXL Mag*, 2006 *King Magazine*, 2006 **Billboard**, 2010-07-03 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events brand. It goes on to analyse political representation, parliamentary organization, parliamentary decision making, and considers the relations between the national parliaments and the larger European setting. *Urban Public Spaces, Events, and Gun Violence* Melvin Delgado, 2024-09-09 This book offers a new vision on urban gun violence that focuses on public space centered concepts, events, and research. It builds on our existing knowledge base by viewing a slice of this problem through celebratory and solemn occasions and how violence at these events and spaces reflects on the state of urban gun violence. Understanding this context serves to inform us on how best to address this social phenomenon. Gun violence in the United States is a salient national problem with virtually no day that goes by without it occurring, particularly in urban public spaces, making it a significant social event. This book uniquely presents an urban and event focused context for gun violence. It also draws attention to marginalized urban communities merging urban public spaces, events, intersectionality, social justice, and gun violence, introducing a unique window to better comprehend this violence as a national issue and bringing profound consequences when it transpires in a public event. To examine the context of public spaces and events in gun violence, the author organized the book's ten chapters in three sections. Part I: Conceptual Foundation sets the foundation for a multifaceted perspective. Part II: Celebratory and Solemn Events expands the gun violence arena. Part III: Implications for Research, Education, and Practice. *Urban Public Spaces, Events, and Gun Violence: Block Parties, Funerals, Mother's Day, and Other Community Events* expands the context of gun violence beyond the street scene to include public settings and events and helps in achieving a comprehensive understanding of this public health problem and how best to solve it. The book is essential reading for practitioners, academics, and researchers in
