Blood on the Streets Charles Alan Green,2023-05-16 This novel is the story of the early months of those cataclysmic events as seen through the eyes of some of the major contributors to the War and also from a group of British athletes who just happened to find themselves thrust into the fighting and mayhem of those chaotic days of July when the first stand against the Totalitarian Right Wing under the guise of Fascism was undertaken by the brave and gallant people of Spain The War was to last from the summer of 1936 through to late spring of 1939 and over 500 000 people were to lose their lives in the fighting and repression that inevitably accompanies any Civil War especially when a clash of ideological views are involved The Spanish War was to be overshadowed almost as soon as it had finished in April of 1939 by world events which happened later that year It was though a major conflict in its own right which had a significant effect on later events The blood destruction and misery caused by the Civil War was to all intents and purposes THE PAIN OF SPAIN

Blood on the Street Charles Gasparino,2005-01-10 Blood on the Street is a riveting account of the Wall Street scam in which ordinary investors lost literally billions of dollars in many cases their life savings in one of the greatest deceptions ever by the crack reporter who broke the original story In one of the most outrageous examples of dirty dealing in the history of Wall Street hundreds of millions of dollars in illicit profits were made during the booming 1990s as a result of research analysts issuing positive stock ratings on companies that kicked back investment banking business Now for the first time award winning journalist Charles Gasparino reveals the whole fascinating story of greed arrogance and corruption It was Gasparino s front page reporting in The Wall Street Journal that brought the story to national attention and spurred New York State attorney general Eliot Spitzer to launch an official probe Now Gasparino goes behind his own headlines to tell the inside story of this spectacular swindle with revelations from his unprecedented access to never before published depositions and documents including e mail exchanges leading all the way up to Citigroup CEO Sanford Weill Drawing on his research and interviews with industry insiders Gasparino takes readers into the back rooms of Wall Street s top investment firms and
