Finding it and knowing I can't have it is disastrous Delilah Henderson is the epitome of off limits She's a hard no Don't touch But I can't help it She's wild and free She's beauty and tragedy But her life has come back to bite her in the ass I am Crew Malcolm Through the secrets the torment and the pain I take what's mine *Obsessed by Him* Red Garnier, 2025-09-23 Five billionaires Five friends Five stories about five men who are driven by dark desires and powerful love In Red Garnier's *Obsessed by Him* they know what they want including the incredible women who surrender to a passion so consuming they will never be the same Claimed by Him Graves has always been secretly obsessed with his best friend's innocent sister Chloe What he doesn't know is that for her twenty fifth birthday all she wants is him Taken by Him After an assassination attempt on his life playboy Luke thinks a trip to Cancun will get him out of harm's way But when he meets the beautiful Peyton he is in real danger of letting passion consume the both of them Bound by Him Andrew has loved Whitney his whole life but after tragedy strikes Whitney vows never to give him her heart again But never is not a word in Andrew's vocabulary And he will fight for her with all his heart at all costs Kept by Him Daniel has always kept his dark fantasies tightly under wraps including those he has about Monica one of his only true friends But when Monica makes the ultimate erotic suggestion Daniel can't resist even if it means his own complete surrender Bared by Him Cade hasn't lusted for a woman this badly since his wife died Ivy knows a man this tortured should send her running but when all that stands between them is an illicit game of strip poker there's no turning back for either of them **Obsessed About Weight Loss - The Psychology behind This Modern Preoccupation** Dueep Jyot Singh, John Davidson, 2018-05-21 Table of Contents Introduction Food Allocation Based on Gender Starving Your Family Just Because You Are Too Lazy to Feed Them Comparisons are odious But I Need to Get That Weight off Lighten that plate The Necessity of Detoxification Toxic Artificially Flavored Foods and Slimming Shakes Conclusion Author Bio Publisher Introduction Somebody asked me why I decided to write a book on why so many people out there spend half of their lives obsessing about their weight from an emotional and psychological perspective I answered them that it was because a large number of my friends out there who were totally obsessed with weight weight loss weight gain everything to do with weight calories body mass body index and now the latest silly weight concerning fad sweeping the 21st century world body image and body shaming kept asking me to write something about how to keep your weight under control and once it was off how to make sure that it kept off permanently This book is going to tell you why you should not keep your weight under control because you are naturally inclined to have one genetic body structure coming from your ancestors and based on your locality your food eating habits and also the amount of food you get through your lifetime But as this is a matter which nobody is going to think about because they would rather starve themselves and want to be size 0 like any person in the limelight who is 20 years younger than they are come from another different genetic background and also has terrible eating habits this statement of mine is not going to be very reassuring Also I am going to give you some easily assimilated rhymes and reasons psychologically speaking why people are so crazy about weight loss Is it obsession with self

steeped in narcissism or low self image or self esteem or absolutely no sense of self respect or individual identity And the only way a person can prove to himself and to the people around him that he is someone to be recognized and to be counted is to do something drastic or look drastic in order to hold the three second attention span of the people around him or her You have a point here And as you read you are going to understand the rationale behind why people behave the way they do especially in matters of body image weight loss weight gain dieting and other such matters So you are going to say why then did I buy this book if you are not going to tell me how to keep my weight under control easily systematically consistently and permanently Is this a sell no pun intended For you I am going to give you my reason yes this book is going to tell you how to do these things but in between I am going to keep telling you why you should not lose weight on the say so of some person who is obsessed with body image diet starvation malnutrition of your body and they could not care less whether your body is subject to lifestyle diseases brought about through malnutrition and a very bad diet
